I felt like people really do their best work when they're having a really good time and feel safe to push the envelope and make a jackass out of themselves.

~Clark Gregg

I like anything Jennifer Lawrence is in. She's so beautiful.

~Clark Gregg

I guess what we know about the Avengers is there's a reason why all of the heroes that we've been meeting, from Thor to Captain America - everybody - they need to work together.

~Clark Gregg

Because I'm stern and scolding [the characters] sometimes, I'm sure I'll get a ton of grief.

~Clark Gregg

All the PG-13 superhero movies are depriving me of the gore that I need.

~Clark Gregg

There's very few people, who really thrive creatively under great stress and conflict.

~Clark Gregg

One thing I've learned about the Marvel universe is that it's a little bit like God... if you want to make him laugh, just make a plan.

~Clark Gregg

There's a different set of writers and a different director for the films, but Marvel has turned it into a pretty spectacular job.

~Clark Gregg

There was a day on the set of Iron Man where I said, "I remember

some of this stuff. I definitely had some Iron Man books. But, S.H.I.E.L.D. is a little bit of a weak spot for me."

~Clark Gregg

I'm not secretly on the board of Marvel.

~Clark Gregg

I was an 'Ironman' fan. It was in the '70s. I definitely liked comics and drew a lot of panels on my notebook when I should have been studying - probably why I ended up in the arts.

~Clark Gregg

What I love about Coulson is that he manages to do that and he manages to wrangle the diva superheroes, and really keep a sense of humor about it. And, you can tell that he really loves his job.

~Clark Gregg

What I think is incredible about what Marvel has done and with Jon Favreau I think really maybe helped come up with, is what the template is.

~Clark Gregg

I don't think Aaron Sorkin can write a character who isn't really funny.

~Clark Gregg

Sometimes you can do Shakespeare and you're still not an actor.

~Clark Gregg

I'd be just another Marvel fan, only with a little bit bigger smile, when I would get the script and be like, "Oh, my gosh, Agent Coulson knows that?"

~Clark Gregg

I'm just an actor who happened to love these [Marvel] comics when I

was a kid, and got to rediscover them.

~Clark Gregg

The world of Ultimate Spider-Man is funny. I can't imagine a live-action film where he's Principal Coulson and dealing with some of the pranks from these guys.

~Clark Gregg

You can never discount the pleasure of showing up to work with Scarlett Johansson and now Cobie Smulders. That's just a day that's easy on your eyes.

~Clark Gregg

As a fanboy myself, one of the fun things about the gig has been every time I get a new script, I get to find out more about his day - to-day life and what goes on and what his relationships are.

~Clark Gregg

I'm not in Captain America because it takes place in the '40s. Both he and Bruce Banner are relationships that evolve during this - two more rock stars that I got to get on stage, ready to play ball.

~Clark Gregg

I thought there would be more time in my trailer to write during 'Agents Of S.H.I.E.L.D.,' but I seem to be always flying in a harness and conquering supervillains instead.

~Clark Gregg

The technology actually seemed to come at just the right time to make the Hulk - Mark Ruffalo was really able to play both characters.

~Clark Gregg

I think about it, and I realize there's been some version of a Batman or Spiderman or Superman franchise since I was a boy, since before I

was a boy.

~Clark Gregg

I had worked in this New York theatre company for my first eight or nine years out of college, acting and directing there, and I'd begun to write a little bit.
