I have always worked out, and I've gone through different phases of yoga, but the combination of Pilates three days a week with yoga is incredible.

~Claudia Schiffer

I try to extract something positive from every situation, even if it's just learning not to make the same mistake twice.

~Claudia Schiffer

The stadium here in Munich is the best of the lot for me. It is absolutely fantastic, especially the way it lights up a different colour according to who is playing. It's superb

~Claudia Schiffer

I've looked in the mirror every day for 20 years. It's the same face.

~Claudia Schiffer

I am very conservative. I don't invest in anything that is risky. If someone comes to me with a project idea, I let them risk their money, not mine.

~Claudia Schiffer

But it is true that some magazines have a policy to show only a certain amount of black girls on their covers. Naomi is right. It's not fair, and I wish it would change.

~Claudia Schiffer

I'm amazed when I see mothers wearing high heels. If your kids run off you can't run after them.

~Claudia Schiffer

Once in a while I say, 'Go for it' and I eat chocolate.

~Claudia Schiffer

All of my friends are my age and we are all ageing at the same time. We talk about it and moan, but it doesn't bother me.

~Claudia Schiffer

I actually don't meet very many men because they are, I guess, afraid to approach me or think that I'm from another planet.

~Claudia Schiffer

I love wearing flat shoes, but I am not one of those girls who walks around in sweat pants and sneakers.

~Claudia Schiffer

I design for myself and the first question I ask is, 'Would I wear it?'

~Claudia Schiffer

It's not that I'm against nudity. I'm German, I'm very open, in Germany they lay in the park naked. It's just the principle.

~Claudia Schiffer

I love movies, I've always been interested in them, but I wanted to wait for the right time to start acting.

~Claudia Schiffer

It's something I decided from the very beginning I would never do - nudity.

~Claudia Schiffer

I've learned a tremendous amount over the years by watching designers work. I now have a good understanding of what sits well on the body, not to mention the importance of a great cut and quality.

~Claudia Schiffer

Quentin Tarantino asked me to work with him but there is no way I am going to do that while Matthew Vaughn is working in film.

~Claudia Schiffer

Nobody has time to keep trying on a load of things in the morning like a teenager.

~Claudia Schiffer

For me, football always meant that we came together as a family and, in the summer we played football outside.

~Claudia Schiffer

I want to give people easy things to wear.

~Claudia Schiffer

I know one day I'll be considered too old.

~Claudia Schiffer

I am calm most of the time.

~Claudia Schiffer

I'm a lot more self-confident than I used to be. To some extent I owe that to my children and my husband.

~Claudia Schiffer

I eat lots of fruit for breakfast because it's cleansing and quickly

digested by the body.

~Claudia Schiffer

I've met women who have way better bodies in their 40s because they've been working on them for all these years.

~Claudia Schiffer

Berlin is like being abroad in Germany. It's German, but not provincial.

~Claudia Schiffer

I don't think you should give away your name and face to something you don't believe 100-percent in.

~Claudia Schiffer
