I know I look like a piece of sausage to those lions. A sausage with braids.

~Cody Lundin

All survival situations revolve around a host of variables...Always adapt, think positive, and move forward.

~Cody Lundin

So do you want a turd sandwich or a turd sandwich with mustard. I'd go with the mustard, but still, it's a turd sandwich.

~Cody Lundin

Knowledge is Power, and it's very lightweight.

~Cody Lundin

I feel like a nude little piece of white meat out here.

~Cody Lundin

Moral of the story: try to get things right, figure out what's going wrong with the scenario, and don't give up.

~Cody Lundin

So I'm pampering myself to a homemade stone pumice session, to sand down my feet because I'm worth it.

~Cody Lundin

The more survival skills an individual has that have been practiced physically and otherwise, the better odds they have for those skills coming to the forefront during a stressful emergency.

~Cody Lundin

We can't move quickly. You move quick out here and you die quick.

~Cody Lundin

Where there is water, there are people.

~Cody Lundin

It's like I'm in a closet in a college dorm room.

~Cody Lundin

The irony here is we're looking for water and we're looking out for water. Without it you die, and with too much of it you die.

~Cody Lundin

You get diarrhea out here, you dehydrate from the inside out - you leave the gene pool.

~Cody Lundin

Rat is a lot like duck, except with a wonderfully nutty flavor.

~Cody Lundin

I'm all for the path of least resistance.

~Cody Lundin

If I don't have s*** in my pocket now, you'll have s*** in your pants later.

~Cody Lundin

C'mon baby light for me!

~Cody Lundin

It's a recipe for disaster.

~Cody Lundin

I feel like a tick on a dog.

~Cody Lundin

You're my depth gauge. If I see your hat floatin', I'll stop.

~Cody Lundin

We need to look for water. Water, water, water, water.

~Cody Lundin

We need to get out of this fetid pusshole and get to some higher ground.

~Cody Lundin

It's like walking through someone's small intestine.

~Cody Lundin

I'm the Bernie Madoff of this spider.

~Cody Lundin

It's like walking on a 1970 blaze orange shag carpet in a kitchen.

~Cody Lundin

I feel like an hors d'oeuvre waiting to happen.
