Small though it is, the human brain can be quite effective when used properly.

~Colin Baker

I do adore food. If I have any vice it's eating. If I was told I could only eat one food for the rest of my life, I could put up with sausage and mash forever.

~Colin Baker

It's not so much a thankless task, it's more a job with no thanks

~Colin Baker

Nobody can fail to lose weight in the jungle, unless they've got a secret stash of pork pies somewhere.

~Colin Baker

I like challenges that test your ingenuity.

~Colin Baker

I am a big man, but I've allowed my condition to deteriorate by being overweight.

~Colin Baker

I loathe cheese, it makes me ill.

~Colin Baker

If you turn down work because you are frightened of getting typecast, you'll never do anything good.

~Colin Baker

The waves of time wash us all clean.

~Colin Baker

I never have reservations about doing anything as long as I'm being

paid.

~Colin Baker

I hope I'm always convincing when I act!

~Colin Baker

I was well aware of the fact that once you appeared in Doctor Who as something else, you were ruled out for the part of the Doctor: that was a kind of well known thing in the business.

~Colin Baker

I take every job on its merits.

~Colin Baker

I'm perfectly proud of the work I did, looking back at it. I know I've had a bit of a revision since my 'Big Finish' stories came out.

~Colin Baker

The standard of writing that I'm getting now from 'Big Finish' compares very favourably with some of the stuff I was doing on screen in the '80s.

~Colin Baker

Actors love to act all those death scenes.

~Colin Baker

It was lovely to do The Knock because I haven't done anything really significant since Doctor Who.

~Colin Baker

If we use less, if we consume less, we're going to have more

~Colin Baker

I've mellowed quite quickly.

~Colin Baker

I do remember reading the script of 'The Nightmare Fair' and looking forward to doing it.

~Colin Baker

I never turn down scripts without good reason. If I did, I would probably never work.
