I couldn't care less about who sees my bits ... My friends asked how I could do scenes like that and not get excited, but it wasn't like that. My bits looked the size of a cashew nut!

~Colin Farrell

I've never seen a moon in the sky that, if it didn't take my breath away, at least misplaced it for a moment.

~Colin Farrell

Being Irish is very much a part of who I am. I take it everywhere with me.

~Colin Farrell

Desperation will allow you to do incredible things in the name of survival.

~Colin Farrell

Girl trouble, for me, is when you fall in love.

~Colin Farrell

But I dare not think too far into the future on the risk that I'll miss the present.

~Colin Farrell

I got to work with Jared Leto. Jared's cute. Oh, I'll tell you. Jared will make you doubt about your sexuality.

~Colin Farrell

I'm a big old romantic.

~Colin Farrell

Every week a tsunami rips through poor towns and villages all over the world ... That tsunami is hunger.

~Colin Farrell

My Mum taught me great manners. And she always told me that you can be or do whatever in life, as long as you don't hurt anyone and you're happy. My Mum's great; I adore her.

~Colin Farrell

I have hope. I have no expectations.

~Colin Farrell

I get excited about room-service menus! I really do.

~Colin Farrell

Pain seems to be easier, or melancholy seems to be easier to portray in a character. I don't know if that's because I'm a human being or because I'm an Irishman or both.

~Colin Farrell

Women tend to immediately take responsibility if somebody messes up with both of us saying it's our fault. Men are quite happy for it to be your fault it seems like.

~Colin Farrell

I mean, we are tribal by nature, and sometimes success and material wealth can divide and separate - it's not a new philosophy I'm sharing - more than hardship, hardship tends to unify.

~Colin Farrell

Her Majesty's Secret Service wouldn't have me on the payroll.

~Colin Farrell

I do enjoy reading some science fiction.

~Colin Farrell

The first time you hold your baby in your arms, I mean, a sense of strength and love washes over you. It washed over me and I never

thought that possible.

~Colin Farrell

I think I'm still trying to find my feet as an actor. And I know it ain't brain surgery, but it confuses me and it comes between me and my sleep a lot.

~Colin Farrell

The sea always offers up incredible stories of survivors' fortitude. Myths of a lot of countries have variations on that.

~Colin Farrell

I love the grandiosity, how sweepingly entertaining films can be. And I think there's a place for films that pry more into the human condition.

~Colin Farrell

I like to go for a little drive up the California coast.

~Colin Farrell

You're scrutinized all through your life - you're scrutinized by your family, by yourself, by society, and your friends in a certain way, shape, or form.

~Colin Farrell

I don't go to the gym or practice yoga. And the closest thing I have to a nutritionist is the Carlsberg Beer Company. I just have the appetite of a pigeon.

~Colin Farrell

I'll try anything. I'll do anything. I'll explore. Try different takes.

~Colin Farrell

I'm not optimistic at all, nor am I pessimistic.

~Colin Farrell

Life is apogee, apex, decline; life is death - and everything else is open to discussion.

~Colin Farrell

I never once regretted doing "True Detective".

~Colin Farrell

Seven years sober. I'm really grateful. It's really lovely to be present in my life.

~Colin Farrell

I've got plenty of love in my life already in the form of my sons and a few good friends who I value dearly.

~Colin Farrell

I was never an A student, but I was really well behaved until I was 13 or so.

~Colin Farrell

It's not that I'm stupid. I just don't think sometimes.

~Colin Farrell

It doesn't matter if it's a drama or a comedy, the need to get the emotion and the character arc across is way harder in something like this so was more of a preparation.

~Colin Farrell

Allow your head to be quiet. Allow it to be still. Just for an hour and half. Just deal with your body & your breath.

~Colin Farrell

I'm not keen on cars and motorbikes. I tried to be a biker, but it wasn't me - I bought a Harley-Davidson and dumped it.

~Colin Farrell

I'm not going to lie, there are more interesting ways to spend your time than answering questions about yourself. But if there were no questions to ask me, I might have a beef with that.

~Colin Farrell

I take acting very seriously. I put everything I have and know into it.

~Colin Farrell

My Dublin wasn't the Dublin of sing-songs, traditional music, sense of history and place and community.

~Colin Farrell

I'm not painting myself as a down-home, modest guy.

~Colin Farrell

I'm just a true Irish boy at heart.

~Colin Farrell

I love my kids. I'm crazy about them.

~Colin Farrell

Making a film, you're in a really dark tunnel and the only kind of illumination is the shared experience you're having with your fellow cast and director.

~Colin Farrell

When I read the script it was extraordinary and to work with Yorgos [Lanthimos] again was amazing.

~Colin Farrell

I didn't work with any of the beasts ["Fantastic Beasts"], I didn't have much green screen, but I loved working on it. I'm excited to see it myself.

~Colin Farrell

I remember some of the sets on "Alexander" were extraordinary and it would just take your breath away.

~Colin Farrell

I was disappointed, but I kind of knew it was going to be an uphill struggle because of how strong the first season [of "True Detective"] was.

~Colin Farrell

There are so many interpretations that this film [The Lobster] could be approached from. But Yorgos [Lanthimos] is so specifically minded, he's so clinical in his direction of the film.

~Colin Farrell

There was a part of me that felt afraid of people in Hollywood going: '**** Hollywood with their total lack of originality!'.

~Colin Farrell

I just recently realized. It's very strange. But doing fight scenes with Kate [Beckinsale], I was little bit more cautious. You can go harder with a guy, which I don't mean as an insult.

~Colin Farrell

I've started films like Miami Vice where I'm in really good shape and I look back on that film and see the moustache is bigger as I've got a larger face.

~Colin Farrell

From my experience, the only thing you can do is take what's written on the page and try, through your own curiosity and investigation, to make it your own and honor what the original intent was.

~Colin Farrell

It can be a bit annoying if another actor is trying to talk to the director

and the wife is sitting on his lap.

~Colin Farrell

I am more comfortable doing a drama.

~Colin Farrell

If you do a fifteen hour day on a film, there's a lot of time standing around but at the end of that, you want to go home to your hotel room and have a bite to eat, watch a movie and go to bed.

~Colin Farrell

If you need to get in physical shape for a film and you have to maintain that for six months, at the start of the film, I was never able to do it.

~Colin Farrell

Initially, less appealing to me than the idea of a vampire that is drawn by some misgiving or drawn by some sense of longing that he can't quite satiate.

~Colin Farrell

I just adored working in London. It was in London where I first had the idea of making a film.

~Colin Farrell

You dream to eat whatever you can and get away with it and then when you're told you have to eat, it loses its fun straight away.

~Colin Farrell

As much as "The Lobster" feels like a world we recognize but not the world we live in, it's all drawn in an allegorical way from all the systems that exist.

~Colin Farrell

I think people enjoy "The Lobster" because people respond to original

things, but I think they only respond to original things if they connect to some truths within us.

~Colin Farrell

I'm just a true Irish boy at heart. I'm just myself, I stick by my guns and I treat people the way I think they should be treated, regardless of their status. And I just have a laugh.

~Colin Farrell

I think people are propelled towards violence, and what propels them is much more interesting than the actual act of violence itself.

~Colin Farrell

I'm not going to experience the reality of hardship that sometimes my characters live in. I'm very cautious about that.
