I don't need to know how they make Coca-Cola. I think it tastes just fine not knowing what the ingredients are. I think there are some things that should be kept secret.

~Colin Hanks

But yeah, I played bass guitar in high school and in college and then I actually fractured my thumb, so my bass career went bye-bye.

~Colin Hanks

I think Robitussin is way underrated.

~Colin Hanks

I didn't want to come up with some generic Johnny Bravo type name. I'm not that cool, so I might as well stick with my birth name.

~Colin Hanks

I'm the quiet bass player.

~Colin Hanks

Some people receive medication in order to properly deliver films.

~Colin Hanks

I'm always constantly trying to find stuff that's different. It's a way to keep me on my toes and keep me interested and keep me excited about work.

~Colin Hanks

You could make a film about being intoxicated only when you're riding motorcycles, but really when you're in an enclosed space safely, you can.

~Colin Hanks

You learn stuff from your kids, every day.

~Colin Hanks

I spent a lot of time in Tower Records. I'm a huge music nerd, and Tower was instrumental to me when I was growing up.

~Colin Hanks

I pretty much know that directing means that you have to answer about a thousand questions every day and you have to answer them quick.

~Colin Hanks

My dad has always been extremely supportive in every decision I've made and much more interested in me picking what I wanted to do.

~Colin Hanks

I did plays in grade school.

~Colin Hanks

Everyone in my industry, the movie industry, is looking at the music industry and going, 'How do we avoid that collapse?' And I don't know if you can, to be quite honest!

~Colin Hanks

I collect watches because I'm always late, and I need to know exactly how late I'm going to be - in order to come up with a good excuse.

~Colin Hanks

I guess maybe someone at 'Dexter' saw the 'Mad Men' stuff and thought, 'He can do this.'

~Colin Hanks

Religion theme aside, most of the time I'm in some sort of comedy and I'm a straight man and it's really just, let's wind this guy up and see him explode.

~Colin Hanks

I would love to be able to get behind the camera and direct actors. I

think that would be a lot of fun.

~Colin Hanks

I like to look at scenarios and see how people interact with each other. That's why I'm an actor because I try to recreate that. Since our daughter joined us the spectrum has widened.

~Colin Hanks

I'm really fascinated with anything that takes place between the 1920s up through the 1960s. In some ways it feels familiar, and in other ways it feels like it's from another planet.

~Colin Hanks

I love working with actors. I grew up with a lot of actors. All my friends are actors. I love that process.

~Colin Hanks

To be quite honest, I'm not religious.

~Colin Hanks

I was in two very horrible bands.

~Colin Hanks

~Colin Hanks

When it comes down to it, I just want to work.

~Colin Hanks

The only entry level position on a movie is director.

~Colin Hanks

There is a part of me that is desperately wanting to not necessarily be

this cute, endearing, heart-on-his-sleeve type of character that just wants to be liked.

~Colin Hanks

I'm a big comedy nerd, so I'm always looking for the chance to be funny.

~Colin Hanks

I'm trying to be really coy, and I'm not sure if I'm doing a good job.

~Colin Hanks

I've always really been a fan of scenes in which you're able to be as natural as you want.

~Colin Hanks

Honestly, the two main things that I always look for is, when I read the script for the first time, do I read it quickly? Because if I read it quick, that's an important telltale sign.

~Colin Hanks

If I could spend more months out of the year employed than unemployed, that would be nice.

~Colin Hanks

If I can be a working actor, if I can be an actor and not have a day job, I'll be fine.

~Colin Hanks

I never had any idea that I would have a career quite honestly. You never really have any idea what is going to happen. You have an idea of what you would like to happen.

~Colin Hanks

I come from a visual background. I used to work in the camera

department at Warner Bros. when I was a teenager. I grew up dusting lenses and learning about photography.
