There's strength in numbers. Once we show the world that we're together, they can't stop us.

~Cory Hardrict

I have an amazing wife, Tia, and an amazing son, Cree, and I'm a family man first and they keep me grounded. They're my support system, so they make me stronger.

~Cory Hardrict

I do this for her and my family. This is my way of paying my mom back by going after my goals relentlessly and trying to win that Oscar one day.

~Cory Hardrict

I love doing movies that touch people's lives.

~Cory Hardrict

It's never too late to make the right decision in your life. I want fathers to go grab their sons, tell them you love them and be more involved in their lives.

~Cory Hardrict

I love helping people; just being of service makes me happy!

~Cory Hardrict

When I look in the mirror, I see a God-fearing man who would risk it all for family and his beliefs.

~Cory Hardrict

I want families to come together, and on the corporate side, I want you to know that there are men out here who stand for righteousness.

~Cory Hardrict

We need our Dads right now, we need strong fathers. I really want

fathers to get close to their children.

~Cory Hardrict

She [my mother] had a will power that was undeniable. She went on to be with the Lord, she passed away but she lives through me.

~Cory Hardrict

We need to be together, and love each other.

~Cory Hardrict

I keep God first. He me to go out and act and be humble and keep it simple. God gave me this gift to bless the world. That's what I'm here to do.

~Cory Hardrict

“Lovelace” was really great. I got to work with the wonderful Amanda Seyfried, Hank Azaria and Peter Sarsgaard, so it can't get no better than that, right?

~Cory Hardrict

Martin Lawrence had no filter, and to me that was the greatest half hour of all time. Martin was ahead of his time.

~Cory Hardrict

My son is my routine and priority, period!

~Cory Hardrict

I was very excited to meet Amanda Seyfried. She is one of the most humbling human beings you will ever meet. She deserves success.

~Cory Hardrict

I dreamed of doing stuff like Will Smith and films on a big scale.
