Girls are not just put on earth for men's amusement while they do the important things.

~Cris Mazza

Attention equals importance equals value equals ego. Or, more realistically, Attention equals success.

~Cris Mazza

Ambition is something you turn into a plan to create an online personality, a brand, a network.

~Cris Mazza

I occasionally feel contempt for that attitude [degree of sexual desire towards me] when I perceive it, but maybe that's not fair. By our culture we've been taught who is most valued and who is not.

~Cris Mazza

Nobody sits alone accompanied only by a stewing ambition that won't see fruit for years. Ambition is something you turn into publicity before there's anything to publicize.

~Cris Mazza

I always expected my work to be what was noticed, appreciated or what would eventually succeed, not my sexuality.

~Cris Mazza

If you can get sexual attention and then (or therefore) succeed as a writer - or [fill in career blank] - that means you're a writer worthy of literary respect?

~Cris Mazza

Sadly, too much has changed about publishing ... not only does attractiveness matter to agents and editors, but there's no room anymore for a reclusive writer.
