Even though I respect many different religions, I don't really particularly just follow one.

~Cristian Machado

I got my first flash of titties from a Venezuelan hooker.

~Cristian Machado

I think that as people and as humans, our social pattern is to always run away from problems... as humans in general.

~Cristian Machado

If you're pop and you don't talk about all the pretty things in life and having sex, then you're not really pop.

~Cristian Machado

Oil runs America and it's the sad reality.

~Cristian Machado

I think President Bush is a moron! I think that the only reason he was voted into office is because his family is a very founded political family and they have a lot of power in the world.

~Cristian Machado

The only people that deserve to be called Americans are Native Americans, otherwise, I'm a Latino American, you know.... Anybody else... well where did you come from?

~Cristian Machado

It's the government's job to come in and help their citizens and guide their citizens to a brighter future and unfortunately in America that's not what's happening.
