Stories, Government*

How can faceless bureaucrats in an intelligence agency deny brave soldiers a chance to tell the truth?

~Curt Weldon

Louis Freeh said on national TV that actionable intelligence could have allowed us to stop the hijackings.

~Curt Weldon

This story, I predict, will grow to be worse than Watergate. The American people need to have the answers.

~Curt Weldon

The mainstream media has its own agenda. They do not want to print the facts. They have an agenda, they have a slant, they have a bias. It is outrageous to me.

~Curt Weldon

The mainstream media doesn't want to get into this because they don't want to know where this one goes.

~Curt Weldon

With the exception of the New York Times, Fox news, and Lou Dobbs of CNN, and talk radio, the rest of the mainstream media has basically been silenced like a bunch of dumb monkeys.

~Curt Weldon

The Pentagon today will not allow any of these people who work for the Pentagon, to talk to the media. They have gagged them from talking to members of Congress.

~Curt Weldon

The commission members themselves were never briefed on Able Danger.

~Curt Weldon

I am extremely disappointed by the actions of the 9/11 commission.

~Curt Weldon

There is absolutely no doubt in my mind that Saddam Hussein had and used significant weapons of mass destruction on his own people, both the Kurds and the Iranians.

~Curt Weldon

It was Jacques Chirac and Schroeder both, who pushed us into a conflict to remove Milosevic.

~Curt Weldon

Able Danger consisted of approximately 20 direct individuals working for Special Forces in Tampa, Florida. The total amount of people working for Able Danger was 20.

~Curt Weldon

Only a government that does not trust its citizens would refuse them the right to bear arms.

~Curt Weldon

Our enemies and our would-be enemies are working very hard at cyberterrorism... They're trying to level the playing field because they know they can't beat us tank for tank, plane for plane.

~Curt Weldon
