As an actor I'm part of a long line of character people you can take back to the silent movies. There's always the little guy who's the sidekick to the tall, good-looking guy who gets the girl.

~Curtis Armstrong

I was going to middle school in Berkley, and I did not fit in at all. Like a lot of kids, I found theater to be a good place for me.

~Curtis Armstrong

This is pure snow! Do you have any idea what the street value of this mountain is?

~Curtis Armstrong

You can do gross-out until the cows come home but if there isn't something to balance it, then it's not going to work at all.

~Curtis Armstrong

Freedom brings opportunity, opportunity makes your future.

~Curtis Armstrong

Go that way, really fast. If something gets in your way, turn.

~Curtis Armstrong

Without a plan, there's no attack. Without attack, no victory.

~Curtis Armstrong

In 1984 nobody knew what cable was going to be. It was there, but you didn't know where it was going.

~Curtis Armstrong

I've never been offered a job that I turned down and regretted. I didn't have Stanley Kubrick offer me something and me say no.

~Curtis Armstrong

I'm a character actor but unlike a lot of character actors, I don't look radically different from film to film and there was a bunch of them at once.

~Curtis Armstrong

My vision had always been that I was gonna be a stage actor and that was it.

~Curtis Armstrong

I like people who try to do big things.

~Curtis Armstrong

I'm not an improv guy. I'm not a nerd, I play one on television.

~Curtis Armstrong

I try to work and enjoy life, and that's about all.

~Curtis Armstrong

Every now and then say, 'What the fu@k.' 'What the fu@k' gives you freedom. Freedom brings opportunity. Opportunity makes your future.

~Curtis Armstrong

Sometimes a person has to be dead a while before people can appreciate what they did when they were alive.

~Curtis Armstrong

I'm not a nerd, I play one on TV.

~Curtis Armstrong

There's something about the way of playing a repellent character, that if you can play him with a certain amount of charm, you can get away with a lot.

~Curtis Armstrong

For an actor to have a role that they're recognized and remembered for over the years, it's unusual. It's very lucky if it happens once - and it's luck that it's happened to me a couple of times.

~Curtis Armstrong

To be honest, I haven't seen a lot of the current crop of teen movies because there's only so much time and there's nothing that really drives me to do it.

~Curtis Armstrong

I tend to not really care for re-makes in general. Mainly they are horrible.

~Curtis Armstrong

It was very natural that people just think of me as a comic actor.
