Stay away from restaurants that have menus in five languages. That's always a tourist trap. You want to eat where the locals eat.

~Curtis Stone

My grannies would both bake things like shortbreads and cookies. I think whenever I smell those kinds of things it really takes me back to my childhood.

~Curtis Stone

Now that I'm a dad, I'm practicing what I call 'one-handed cooking,' because I've got something more important in my other arm. I'm whipping up lots of frittatas and omelets.

~Curtis Stone

There are probably close to a million people in the hospitality industry here in the United States, and there are probably only a few hundred opportunities in the food media industry.
