Yoko had 10 years and I had 10 years and I would rather have had the 10 years I had than the ones she did. I had the raw talent and the raw human being, before the sycophants arrived.

~Cynthia Lennon

I didn't marry a Beatle, I married a broke student who played the guitar and ponced all my grant money off me for fags.

~Cynthia Lennon

John was in constant need of proof of love and security and he was constantly testing people for that proof.

~Cynthia Lennon

John was closest of all to Paul; their relationship was very complex.

~Cynthia Lennon

John's relationship with each of the other Beatles was different. He was at his most relaxed with Ringo, who often had him in stitches with his jokes.

~Cynthia Lennon

John needed to escape his reality. I understood completely but I couldn't go along with him.

~Cynthia Lennon
