It's called a pen. It's like a printer, hooked straight to my brain.

~Dale Dauten

Bureaucracy gives birth to itself and then expects maternity benefits.

~Dale Dauten

A meeting moves at the speed of the slowest mind in the room. (In other words, all but one participant will be bored, all but one mind underused.)

~Dale Dauten

Criticizing lawyers for lawsuits is like criticizing linebackers for knocking people down.

~Dale Dauten

A meeting moves at the pace of the slowest mind in the room.

~Dale Dauten

Just because we increase the speed of information doesn't mean we can increase the speed of decisions. Pondering, reflecting and ruminating are undervalued skills in our culture.

~Dale Dauten

Nine-tenths of wisdom is appreciation. Go find someone's hand and squeeze it, while there's still time.

~Dale Dauten

Success is an act of exploration. That means the first thing you have to find is the unknown. Learning is searching; anything else is just waiting.

~Dale Dauten

Nine-tenths of wisdom is appreciation.

~Dale Dauten

If you take the best of Wayne Dyer and add it to the best of Anthony Robbins, what you would have would only be half as good as Steve Chandler.

~Dale Dauten

Nothing important can be taught, only learned.

~Dale Dauten

One path is greed, the second is curiosity. With one, the journey is to a reward; with the other, the journey is the reward.

~Dale Dauten

Forget the resolutions. Forget control and discipline... too much work. Instead try experimenting. Go in search of something to fall in love with... something about yourself, your career, your spouse

~Dale Dauten

Spend enough time around success and failure, and you learn a reverence for possibility.

~Dale Dauten

It's time to re-appreciate the original software: paper.
