If a caddie can help you, you don't know how to play golf.

~Dan Jenkins

A good one iron shot is about as easy to come by as an understanding wife.

~Dan Jenkins

Always keep in mind that if God didn't want a man to have mulligans, golf balls wouldn't come three to a sleeve.

~Dan Jenkins

I am among those who firmly believe that a round of golf should not take more than three and a half hours, four at most. Anything longer than that is not a round of golf, it's life in Albania.

~Dan Jenkins

The devoted golfer is an anguished soul who has learned a lot about putting, just as an avalanche victim has learned a lot about snow.

~Dan Jenkins

Laughter is the only thing that'll cut trouble down to a size where you can talk to it.

~Dan Jenkins

I had always suspected that trying to play golf in the company of big-time pros and a gallery would be something like walking naked into choir practice.

~Dan Jenkins

Only two things can stop Tiger â€™ injury or a bad marriage.

~Dan Jenkins

Regardless of what the tour pros think, golf is a rich and varied game, and what all of us awkward fools do on weekends is what golf is truly all

about.

~Dan Jenkins

Lonnie says it doesn't take long to write a song if you're stricken with a severe case of the Tennysons. He wasn't necessarily talking about a chart-climber.

~Dan Jenkins

Baseball would be a better game if more third basemen got hit in the mouth by line drivers.

~Dan Jenkins

Every golfer has at least 14 enemies: his clubs.

~Dan Jenkins

There have been so many great moments in golf that you even forget some of them.

~Dan Jenkins

Golfers don't fist fight. They cuss a bit. But they wouldn't punch anything or anybody. They might hurt their hands and have to change their grip.

~Dan Jenkins

Who is the best the sportswriter who wore shorts? I keep trying to envision Grantland Rice or John Lardner in shorts. It never occurred to me to wear shorts. I'd look too silly to wear shorts.

~Dan Jenkins

When Ballesteros triumphed at the British Open in 1979, for his first major win, he hit so few fairways off the tee that he was often mistaken for a gallery marshall.

~Dan Jenkins

Until Sammy Baugh - pro football in Texas was a one-paragraph story on the third page of the Monday sports section.

~Dan Jenkins

Many Americans follow pro basketball from November through June, for reasons that I found unexplainable, other than the fact that they were overly fascinated with soaring armpits.

~Dan Jenkins

As the NFF Historian, I'll have a new platform to indulge my passion for the most emotional, colorful and hysterical game ever developed by mankind and Walter Camp.

~Dan Jenkins

The golf ball has no sense at all, which is why it has to be given stern lectures constantly, especially during the act of putting.
