On the battlefield, the military pledges to leave no soldier behind. As a nation, let it be our pledge that when they return home, we leave no veteran behind.

~Dan Lipinski

More than 70 percent of seniors are asking for more time. It is long overdue for Congress to listen and make sure that seniors have a prescription drug plan that works for them.

~Dan Lipinski

The undisturbed coastal plain is home to a wide variety of plants and animals and is the only wilderness sanctuary in North America that protects a complete range of the arctic ecosystem.

~Dan Lipinski

Yet, despite our many advances, our environment is still threatened by a range of problems, including global climate change, energy dependence on unsustainable fossil fuels, and loss of biodiversity.

~Dan Lipinski

The Arctic National Wildlife Refuge is a unique and biologically special place that should be preserved.

~Dan Lipinski

Reliable data on the outsourcing of American jobs is sorely missing from the debate on globalization.

~Dan Lipinski

Right now too much American time and resources are spent dealing with situations caused by our dependence on oil that we import from unstable countries.

~Dan Lipinski

With courage and character, American soldiers continue to put

themselves on the line to defend our freedom, and so many have paid the ultimate sacrifice.

~Dan Lipinski

The hydrogen powered car, with its high fuel mileage and zero emission rate, is just one example of the products under development that will help increase our energy independence.

~Dan Lipinski

Drilling in ANWR fails to lower energy prices today and sets no long term energy strategy for tomorrow.

~Dan Lipinski

Local economies are suffering as people spend more on fuel and less on consumer goods and travel.

~Dan Lipinski

As we explore ways to bring price relief and bolster our country's energy independence, one significant energy source has emerged as a potential solution, hydrogen fuel cells.

~Dan Lipinski

By cutting critical domestic programs such as education, health, environmental protection, and veterans' services, this budget reveals misplaced priorities.

~Dan Lipinski

Right now, every American is affected by high energy prices. Working families, small businesses and consumers across the country are feeling the pinch with no end in sight.

~Dan Lipinski

But cord blood also holds the great potential of producing pleural potential cells that could cure many other diseases such as juvenile

diabetes, a disease that I live with every day.

~Dan Lipinski

As the war on terror continues, Americans must honor the brave men and women who gave their lives for the protection of this nation and the hope of peace.

~Dan Lipinski

We all want more information available when making health care decisions for ourselves and our families.

~Dan Lipinski

Our Nation must provide sufficient access to healthcare, adequate benefits, and the supplemental resources our veterans were promised and so dearly need. We owe our heroes no less.

~Dan Lipinski

In the Gulf region and nationwide, small businesses are an integral and crucial part of local economies and communities. They should not be overlooked.

~Dan Lipinski

Most of us would never consider getting our car repaired without first receiving an estimate of the charges, but this is exactly what we do when we need to go to a hospital for treatment.

~Dan Lipinski

The reality is that no one can be forced to join a union against their will, and a union cannot take action against those who decide not to join their union.
