Ready...set-y...spaghetti!

~Dan Wells

Facts are too busy being true to worry about how you feel about them.

~Dan Wells

Life is a lone wolf, scratching out a living with teeth and claws and a heart of stone.

~Dan Wells

I stared at her closely, studying her face, her eyes, everything. This was the angel that tamed a demon; the soul that trapped him and held him with a power he'd never felt before. Love.

~Dan Wells

I love talking to people and hearing their stories. Everyone's got their own story to tell, and when you sit down with someone and really talk to them, you can learn so much.

~Dan Wells

It's like . . . time is flowing backward. We're caveman archeologists in the ruins of the future.

~Dan Wells

If I'm going to spend the whole night waiting for you guys to stop flirting and shoot each other, I want to at least be entertained.

~Dan Wells

The enemy of my enemy is my friend.

~Dan Wells

I am stronger than my trials.

~Dan Wells

I didn't study medicine to watch people die." -Kira

~Dan Wells

My wit is like your legs," said Xochi. " It would be selfish of me to keep it hidden.

~Dan Wells

It's a pretty big shock to realise that the only people you can identify with are psychopathic killers.

~Dan Wells

Life is too short. It's too precious. We have to live in this world, but we don't have to wallow in it. We don't have to fill our lives with all of this darkness.

~Dan Wells

The most important thing you can ever know, is that whatever your purpose is, that's not your only choice.

~Dan Wells

I wanted everything to stay the same, but you wanted things to be better, it's just...going to be a whole lot worse for awhile first. And I think I knew that, and I was scared of it." - Marcus

~Dan Wells

If other things must be destroyed in order for fire to exist, that's all right with fire. As far as fire is concerned, that's what those things are there for in the first place.

~Dan Wells

Sometimes the hand that feeds you needs a good bite.

~Dan Wells

The last to fall were the buildings, distant and solemn, the gravestones

for an entire world.

~Dan Wells

This book is dedicated to the rule breakers, the troublemakers, and the revolutionaries. Sometimes the hand that feeds you needs a good bite.

~Dan Wells

I'd made a long list of exceptions to cover the area between "ignoring her completely" and "abducting her at knifepoint.

~Dan Wells

Even a paranoid clock is being followed twice a day.

~Dan Wells

I'm the demonslayer. Come and get me.

~Dan Wells

It doesn't matter how many they kill," I told him. "And it's not awesome-it's wrong." "Then why do you talk about them all the time?" asked Max. "Because wrong is interesting.

~Dan Wells

I'd like to think humans have a stronger sense of justice than the random forces of nature do.

~Dan Wells

Life comes from death, and weakness teaches us strength.

~Dan Wells

Happiness is the most natural thing in the world when you have it, and the slowest, strangest, most impossible thing when you don't.

~Dan Wells

Well, thanks for not shooting anyone, I guess", said Marcus. "My

contribution was to somehow refrain from peeing myself. You can thank me later.

~Dan Wells

I need a sample of your blood,' said Kira. Marcus raised an eyebrow. 'I didn't know we'd reached that stage of our relationship.

~Dan Wells

Hockey,' mused Marcus. 'The sport of kings.

~Dan Wells

I simply felt alone, one leaf sitting miles away from a giant, communal pile.

~Dan Wells

I can't imagine you not saying a word," said Marcus. "I think you'd go crazy first.

~Dan Wells

It's good to see you," Said Haru. "You can see me?" asked Marcus, patting himself in sudden shock. "The potion must have worn off! That's the last time I give my lunch to a talking squirrel". P12

~Dan Wells

I guess all we have left are awesome dreams.

~Dan Wells

It's not John who wants to cut his mother into tiny pieces, it's Mr. Monster. See? I feel better already.

~Dan Wells

You make your own choices, Kira, and you can't let anyone ever take that away from you.

~Dan Wells

Humanity will destroy itself, body and soul, before it will learn a simple lesson.

~Dan Wells

I'd rather know how you feel than hope and wonder and delude myself for weeks on end.

~Dan Wells

If you have the strength to whine, you have the strength to do something about it.

~Dan Wells

If you want to survive in this world, you need to stop asking why people work together, and just start working together.

~Dan Wells

If my life had no meaning there was no reason not to end it.

~Dan Wells

Embrace your complexity, stretch your creativity, and live up to your potential, you are what makes the world great.

~Dan Wells

I'm a good person," I said, "because I know what good people are supposed to act like, and I copy them.

~Dan Wells

You don't get a life until you make one worth living.

~Dan Wells

If you can't know the truth, said Isolde, live the most awesome lie you can think off.

~Dan Wells

Humans aren't defined by death, and they're not defined by what they lack. They're defined by their connections.

~Dan Wells

Love's not the point. We just do what we always do, and we get by.

~Dan Wells

Fear is about things that you can't control. The future or the dark, or someone trying to kill you. You don't get scared of yourself because you always know what you're going to do.

~Dan Wells

Fear is a ... it's a weird thing, when you think about it. People are only afraid of other things, they're never afraid of themselves.
