When you do take the home pregnancy test, it doesn't quite seem real. But when you see the baby and the heartbeat on the ultrasound, it's so incredible.

~Danica McKellar

I exercise at home - light cardio and yoga.

~Danica McKellar

There is an epidemic right now of girls dumbing themselves down... in middle school because they think it makes them attractive.

~Danica McKellar

I learned my French through school. I was lucky in that the tutor on 'The Wonder Years' set spoke fluent French.

~Danica McKellar

People talk about 'getting rid of the old image', and I guess there's some merit in that. But the truth is that people loved 'The Wonder Years' - I can't turn my back on it.

~Danica McKellar

I'll admit that I do quite like drinks that come in coconut shells. So there's always that.

~Danica McKellar

Math is like going to the gym for your brain. It sharpens your mind.

~Danica McKellar

Math proficiency is the gateway to a number of incredible careers that students may never have considered.

~Danica McKellar

Let's make math fun and sexy and glamorous. Smart is sexy, that's one of my main messages.

~Danica McKellar

I love surprises - champagne and strawberries, all that pampering, romantic stuff. Guys ought to know how to pamper their women properly.

~Danica McKellar

A lot of girls think they have to choose between being the smart geeky type or the beautiful bimbo.

~Danica McKellar

When I originally entered UCLA, I had planned to go for a film major, but I kept finding myself taking math classes for fun, 'cause I missed them from high school!

~Danica McKellar

Math is the only place where truth and beauty mean the same thing.

~Danica McKellar

There's no reason to stereotype yourself. Doing math is like going to the gym - it's a workout for your brain and it makes you smarter.

~Danica McKellar

The end of a marriage has got to be one of the saddest events one can experience. I've heard that the pain [of divorce] is second only to an actual death in the family, and that sounds about right.

~Danica McKellar

Let's face it; by and large math is not easy, but that's what makes it so rewarding when you conquer a problem, and reach new heights of understanding.

~Danica McKellar

Confidence is one of the sexiest things in guys and girls.

~Danica McKellar

It delights me that I don't fit the stereotype of an actress.

~Danica McKellar

I want girls to feel the confidence you get from being smart.

~Danica McKellar

If anyone tells you it's impossible to be fabulous and smart and make a ton of money using math, well, they can just get in line behind you - and kiss your math.

~Danica McKellar

Math has a lot of negative stereotypes, but it can actually be fun and incredibly empowering.

~Danica McKellar

I never had little brothers, so I was totally not used to hearing a lot of cussing at a young age! I learned what 'pull my finger' meant the hard way.

~Danica McKellar

I want girls to feel the confidence you get from being smart. They get so many messages that tell them the most important thing is to be beautiful.

~Danica McKellar

It's such a diversion to be constantly thinking of better ways I can teach people math that my hunger is for that really, for new ways of translating the beauty of it.

~Danica McKellar

This much I'm sure of. Chances for winning = $1 - (\# \text{ of math students playing}) / (\# \text{ of math students cheering})$. That's a fraction.

~Danica McKellar

I know we can't always know what medical surprises may happen during childbirth. But my hope is to go fully natural - no epidural, no interventions.

~Danica McKellar

I've been just eating very healthy, all organic, no sugar, white flour, nothing artificial. I'm being so incredibly strict... not a lot of meat!

~Danica McKellar

I'm the kind of person that responds strongly to a challenge.

~Danica McKellar

I am definitely a serial monogamist. I can count on one hand the number of guys I've been with.

~Danica McKellar

I played Winnie Cooper on 'The Wonder Years' from ages 12-18, and did a few other movies during some of the summers.

~Danica McKellar

A reciprocal of a fraction is found by flipping it upside down. If you want the reciprocal of a mixed number or a whole number, just convert it to an improper fraction, and then flip it!

~Danica McKellar

It's really cool when a guy tips 20 per cent quickly and effortlessly so that when the check comes, he opens it and signs his name and done.

~Danica McKellar

I just love math and most people don't.

~Danica McKellar

If you're beautiful, you're led to believe that you can't also be smart.

~Danica McKellar

Girls think that being glamorous means making mistakes and being irresponsible. And that's just not true.

~Danica McKellar

There seems to be so much shame wrapped up in speech disabilities. It seems very sad and complicated all at the same time.

~Danica McKellar

There's nothing unclassy about being naked, if it's appropriate.

~Danica McKellar

I've done a little directing, but I love acting more.

~Danica McKellar

Keep an eye on what your kids are seeing online. Parents need to stay involved in what their children are being exposed to. It's so important.

~Danica McKellar

Look at Jessica Simpson. She's famous for being dumb. I guess it started with Marilyn Monroe, and she actually wasn't that dumb, but that's how she was perceived - and that's what got popular.

~Danica McKellar

When girls are asking themselves 'Who am I?' for the first time and they hear all this bad PR about math, they think, 'Well, whoever I am, I'm not somebody who likes math.'

~Danica McKellar

I love teaching online at my website and soon I'll be writing a math book. I love to teach math. I just don't have time for a full-time teaching gig. Acting is way too time-consuming.

~Danica McKellar

Acting is my first love, and that's my main career, it really is.

~Danica McKellar

I just did a spread in 'Maxim', I'm 35 years old. I've had women and parents email me asking if I should really be doing that, since I'm still considered a role model.

~Danica McKellar

I feel blessed to be having a really easy pregnancy.

~Danica McKellar

Teenage girls these days are more and more getting lured into thinking they should dumb themselves down, and that's going to attract the wrong kind of guy, and it's serious. It's serious business.

~Danica McKellar

Relationships are not straight forward. They're not black and white. Sometimes things don't always going in a straight line, and that's okay. Love can be very confusing.

~Danica McKellar

Note to self: When noticing flyaway hairs, do not use lip gloss as an 'on-the-go' hair gel.

~Danica McKellar

Believe it or not, lots of people change their majors and abandon their dreams just to avoid a couple of math classes in college.

~Danica McKellar

What I got which was unusual, especially as a child actress, was parents who believed that Hollywood was not that important. They told us education, family, health, all come first and they meant it.

~Danica McKellar

Look at Michelle Pfeiffer: My God, she's 50 years old, but she is still so sexy. If I were into women, I would be totally into her.

~Danica McKellar

At the risk of being forgotten completely by the media, I went to college and pursued a passion that had nothing to do with acting: mathematics.

~Danica McKellar

When you know that you can overcome challenges, you do gain that self-respect, and then you won't end up in a situation that you regret later on.

~Danica McKellar

If I had caused any trouble worth mentioning, you would have read about it in 'Star' magazine, which is probably why I didn't cause any trouble worth mentioning.

~Danica McKellar

I was born in San Diego, and we moved to Los Angeles when I was seven. A couple of years later, I started acting!
