I know what it's like to have an inflated libido.

~Daniel Cudmore

Anything that involves the outdoors I'm all about, whether it be skiing, snowboarding, wakesurfing to mountain-biking. Anything that gets me outside.

~Daniel Cudmore

The more work I do and the more I put myself out there publicity-wise, it's gonna be less and less chances of me being able to just walk around without being noticed.

~Daniel Cudmore

Think of how many mistakes you made at 22 years old. Like, I made a million.

~Daniel Cudmore

If you talk to any actor, they'll tell you that working is the best thing.

~Daniel Cudmore

I would love to work on a Bond film.

~Daniel Cudmore

I like the fact that I can do stunts, but I don't think of myself as a stunt guy. Those guys are really good at what they do.

~Daniel Cudmore

I don't mind what the role is at all; I just want to play cool characters.

~Daniel Cudmore

I started drama in high school.

~Daniel Cudmore

I seem to be able to just sort of sink and slide under the radar, which is

nice.

~Daniel Cudmore

If I can stay constantly busy, I'll be happy.

~Daniel Cudmore

Well in the comic book world, I think the Hulk is the strongest, but I think I'd give him a heck of a fight!

~Daniel Cudmore

I eat pretty clean, but the training is tiring. When you're training two times a day it can be really draining, so I'd rather stick with the diet.
