

Daniel Johns

Quotes

*People, Years, Records, Home, Arthritis, Thinking, Trying, Want, Animal, Stars,
Long, Scared, Wells, Doctors, Night, Negative, Stay Positive, Sweating,
Sanctuary, Dumb*

I wrote... Neon Ballroom in that time where I hated music, really everything about it, I hated it.

~Daniel Johns

None of us are really dumb and none of us are really smart. We're in the middle.

~Daniel Johns

You say that money isn't everything, well I'd like to see you live without it.

~Daniel Johns

Yes, I am old enough to grow a beard actually. So ner-ner-ner-ner

~Daniel Johns

There are no big groupie fans or anything.

~Daniel Johns

So I went and visited a doctor and he diagnosed me with reactive arthritis.

~Daniel Johns

I am very scared of being outside my home for long periods of time.

~Daniel Johns

I start sweating and shaking and having panic attacks if I am not at home.

~Daniel Johns

I get very anxious and am scared in crowds and things like that.

~Daniel Johns

I'm lucky the arthritis happened at the time that it did because of the record.

~Daniel Johns

There's an inherent thing in me where, if things are going too smooth, I'll sabotage the hell out of them, just to make the music more of a sanctuary.

~Daniel Johns

Touring doesn't kill me and I can handle it.

~Daniel Johns

Reactive arthritis is something I've been dealing with for nearly a year.

~Daniel Johns

Trees have feelings too, and no one ever says 'hi' to them. Next time you're outside and see a tree, say 'hello'.

~Daniel Johns

I would stay in bed and get an extra 10 minutes sleep

~Daniel Johns

I have not really experienced any significant conflict with anyone in regard to my choice to be vegan, although going out to eat is hard sometimes.

~Daniel Johns

I know if I don't tour people will forget the record and you run a high risk of the record failing.

~Daniel Johns

When we first began and I was 14, my influences were the stuff that was in my parent's record collection like Deep Purple and Led Zeppelin.

~Daniel Johns

I had to try and find a way to express happiness without sounding corny.

~Daniel Johns

I think I definitely got scared by the second or third time a doctor told me I was dying.

~Daniel Johns

I try to stay positive by focusing on how much I'll appreciate my health if I get better.

~Daniel Johns

I don't know if sitting home everyday is normal, but that's what I do.

~Daniel Johns

Think what you want, this is what we are.

~Daniel Johns

People don't understand sarcasm, like, they take everything too seriously. People need to lighten up and go ice skating.

~Daniel Johns

If negative meant positive we'd be heroes.

~Daniel Johns

I never really paid attention to sales until the second record.

~Daniel Johns

Candles are good as long as you're not me and you don't fall asleep and your house burns down.

~Daniel Johns

There was three or four years of my life where I hated myself and you know, would have quite happily ended it.

~Daniel Johns

I've never had a social life, don't ever want one because it's boring.

~Daniel Johns

Me and my dog are best friends.

~Daniel Johns

I have a theory because I was being beaten up a lot by people outside of school, it was almost like if I could make myself sick enough they'd take sympathy on me.

~Daniel Johns

I am doing everything humanly possible to try and get well, but lately things have just kept getting worse.

~Daniel Johns

A lot of people who get into any art form have some form of mental..something in their head which is unstable

~Daniel Johns

It just makes everything more pleasurable when you've got someone that emotionally is there to rely on.

~Daniel Johns

There are a lot of wankers, and a lot of people who think they are really hardcore and cool but they're not.

~Daniel Johns

It makes it hard to get over a certain period of your life when you are constantly revisiting it every night.

~Daniel Johns

I made a conscious effort to make a record that would affect people in a

good way rather than the last one, which affected people in a bad way.

~Daniel Johns

I'll always remember 1995 as the year i found out Star Trek wasn't real

~Daniel Johns
