Plot and character are virtually the same thing.

~Daniel Keys Moran

You can have data without information, but you cannot have information without data.

~Daniel Keys Moran

An attempt to write nothing but characterization will soon bog down; I for one don't want to have somebody tell me about someone else.

~Daniel Keys Moran

Actors are good liars; writers are good liars with good memories.

~Daniel Keys Moran

Police do not belong in war zones.

~Daniel Keys Moran

Its obvious, but perhaps worth saying, that happiness has virtually nothing to do with the state of your intellect.

~Daniel Keys Moran

Our species is on the verge of changes that will fundamentally alter what it means to be human... and we are the people driving that change.

~Daniel Keys Moran

It's very strange writing science fiction in a world that moves as fast as ours does.

~Daniel Keys Moran

If there is a substantial difference between a gay couple and a childless heterosexual couple, I'm unable to see it.

~Daniel Keys Moran

You want to balance the budget in this country? We change the salary structure for Congress and the President. Every year they don't balance the budget, we don't pay them.

~Daniel Keys Moran

As a fiscal conservative, I think that our government should pay for itself.

~Daniel Keys Moran

The federal debt in this country is principally of Republican design.

~Daniel Keys Moran

Never test for an error condition you don't know how to handle.

~Daniel Keys Moran

Well, the future of the Internet is... Reality.

~Daniel Keys Moran

So, we, as human beings, live in a very imprecise world. A world where our perceptions of reality are far more important than actual reality.

~Daniel Keys Moran

I'm a nerd and you bet I love what I do. I am so damn good at it.

~Daniel Keys Moran

The welfare system in the United States is vile.

~Daniel Keys Moran

If a liberal political philosophy stands for anything, and I am no longer sure it does, then it must mean that we are committed to the leveling of the playing field for everyone.

~Daniel Keys Moran

Writers, all the good ones, are Natural Born Liars.
