Modern humans became fixated on a collective hallucination of linear time, ignoring the fractal spirals of the surrounding universe.

~Daniel Pinchbeck

In shamanic cultures, synchronicities are recognized as signs that you are on the right path.

~Daniel Pinchbeck

We live in a culture where everything tastes good but nothing satisfies.

~Daniel Pinchbeck

If you step back from it and really think about what the mass media does on a global scale, the most significant thing it does is coordinate behaviour.

~Daniel Pinchbeck

Deep down, nobody wants a job to occupy his or her time. We want a mission that inspires us.

~Daniel Pinchbeck

I think that the more people go through their own personal initiations, the less collective destruction may be unleashed on the planet.

~Daniel Pinchbeck

The idea that I really like is December 21st, 2012. Try to get a global moment of collective reflection as a way to bring about an uptick in human consciousness.

~Daniel Pinchbeck

Synchronicities express themselves through chance meetings and natural events as well as in dreams and supernatural episodes.

~Daniel Pinchbeck

Maybe the same instruments and tools that have been used to keep

people in slavery and ignorance could potentially be used to liberate and awaken them.

~Daniel Pinchbeck

I grew up in a very artistic, cultured home, but without any kind of spirituality. My parents were secular materialists, so I saw art as having an alternate value.

~Daniel Pinchbeck

I totally think we have a future on the planet. I just think that we have to get away from Western thinking, which is very much founded on dualisms.

~Daniel Pinchbeck

Shamanism is a kind of universal spiritual practice with indigenous cultures around the world, and one important element of it is taking care of spirits.

~Daniel Pinchbeck

The drive to Black Rock City from San Francisco leads through the Nevada flatlands, past the jittering neon sadness of Reno.

~Daniel Pinchbeck

Through the last centuries, the effort of capitalism has been to take all the things that were human relations and turn them into monetary exchanges.

~Daniel Pinchbeck

It is the difficult, but unavoidable, task of the modern individual to assimilate consciously all of the contents - from darkest degradation to profoundest purpose - contained in the psyche.

~Daniel Pinchbeck

Cynicism is something that is part of the media production of a certain

type of subjectivity or consciousness that is passive and disempowered, cynical, fatalistic, pessimistic.

~Daniel Pinchbeck

I don't really advocate for psychedelics. I don't really think anybody needs to do them, or has to do them. For me, they were the only way I could have cracked open my own spirit in a way.

~Daniel Pinchbeck

Life as an end is qualitatively different from life as a means.

~Daniel Pinchbeck

Individuals who are really inspirational are always what changes history. Gandhi had a bunch of good ideas, and he led a non - violent revolution that transformed India.
