

Danielle Steel Quotes

*People, Writing, Literature, Children, Book, Men, Trying, Moving, Thinking, Way,
Want, Giving Up, Kids, Ifs, Play, Years, Believe, Shoes, Jobs, Past*

Some things in life are worth waiting for.

~Danielle Steel

If you see the magic in a fairy tale, you can face the future.

~Danielle Steel

Lust is temporary, romance can be nice, but love is the most important thing of all. Because without love, lust and romance will always be short-lived.

~Danielle Steel

I am endlessly busy, bringing up five young kids, and trying to keep up with the three older ones. I still spend most of my life driving car pools.

~Danielle Steel

A bad review is like baking a cake with all the best ingredients and having someone sit on it.

~Danielle Steel

Sometimes, if you aren't sure about something, you just have to jump off the bridge and grow your wings on the way down.

~Danielle Steel

We are always better than before when those we love inflict wounds upon us.

~Danielle Steel

Sing Me no songs tell me no tales cry me no tears, but remember me kindly.

~Danielle Steel

I did it at night because I loved it. I never did it to make money, as a job. I just did it because I had to.

~Danielle Steel

Nothing is forever, but there's a continuing stream of people who go through our lives and continue with us... Nothing just stops and stays... But it flows on... Like a river.

~Danielle Steel

Things work out the way they're meant to

~Danielle Steel

I don't need a man to be happy. I had a great one , that was good enough. I don't expect to find another one like him, and why settle for anything less? I'm going ot be perfectly content alone.--Marya

~Danielle Steel

If you let life pass you by now, it won't ever come back. You don't get another chance

~Danielle Steel

You could never predict what would happen. There was an element of destiny in everything that one could never account for.

~Danielle Steel

I'm not an aging gracefully type. But I do believe in aging with grace.

~Danielle Steel

That is what touches me most. When somebody says: you really made a difference.

~Danielle Steel

No man can take your freedom from you. They can limit your mobility, but that's about all they can do

~Danielle Steel

Don't worry about it. The right thing will come at the right time.

~Danielle Steel

Don't make decisions out of fear. They never get yo anywhere you want to go.

~Danielle Steel

It's hard to make changes. Things get so comfortable and you don't want to move. Maybe it would do you good to be a little uncomfortable for a while, and do something different.

~Danielle Steel

I believe in love at first sight for houses - but not for people.

~Danielle Steel

Maybe some people just aren't meant to be in our lives forever. Maybe some people are just passing through.

~Danielle Steel

Life, a good life, a great life is about "Why not?" May we never forget it.

~Danielle Steel

Not everyone is meant to stay forever.

~Danielle Steel

This is fusion, when two people become one. They are so close and so well suited to each other that they blend together. They merge and can't live without each other after that.

~Danielle Steel

I wrote because I needed to and wanted to. It never occurred to me that I'd become famous.

~Danielle Steel

Sometimes we have to face the things that hurt us most. Maybe you won't heal till you do. You haven't yet.â€• They both knew that was true. â€œYou can't move ahead until you bury the past.

~Danielle Steel

.. that terrible feeling that you're not good enough to be loved by the people you love most, and eventually by anyone else.

~Danielle Steel

Victoria heard across the wedding reception dance floor "You're loveable"!

~Danielle Steel

Like a small animal burrowing into its hole, I shift furniture around, and back myself into a cozy corner, with my back to the wall...and then I can write.

~Danielle Steel

Who doesn't need hope in their lives: hope that something can change, that someone cares, that not only bad things happen unexpectedly but good things can happen to us too?

~Danielle Steel

What intrigues me is the difference in how women experience power, and how men do.

~Danielle Steel

Not all forms of abuse leave bruises.

~Danielle Steel

I've shut myself inside these walls, and I'm going to be a very lonely old lady if I'm not careful.

~Danielle Steel

Perfume is like a personal signature, which is why I like to mix my own. For years I've paired Femme by Rochas with Shalimar and love the results.

~Danielle Steel

I'm surprisingly practical in much of my life, but not when it comes to my shoes.

~Danielle Steel

Never settle for less than your dreams, somewhere, sometime, someday, somehow, you'll find them

~Danielle Steel

Love is messy. If you really love someone, you can't avoid the pain. People die, people leave, things change, but sometimes it all works

~Danielle Steel

I move between San Francisco and Paris... I have a wonderful beach house in California.

~Danielle Steel

I try to give people hope. Even though life is bleak, there's hope out there.

~Danielle Steel

I never met a chocolate I could not eat.

~Danielle Steel

The records of adopted children are sealed in California. That seal is considered inviolable... The judge ruled that, because I was famous, he didn't have the same rights as other kids.

~Danielle Steel

There was nothing you couldn't do if you wanted it bad enough, and were willing to work hard enough to get it.

~Danielle Steel

I like summer. I like warmer weather and long days. I'm one of those silly people who still enjoy lying in the sun - my children are horrified!

~Danielle Steel

I work too hard and don't play enough.

~Danielle Steel

People have entire relationships via text message now, but I am not partial to texting. I need context, nuance and the warmth and tone that can only come from a human voice.

~Danielle Steel

Sometimes life will make you give up what you love most.

~Danielle Steel

It's difficult to talk to people... I walk into a room and I'm Danielle Steel, and whatever I say is going to be taken apart.

~Danielle Steel

It's been very hard, after being mostly a mom, to develop an adult life of my own. And not being married anymore, I have to come up with challenges.

~Danielle Steel

I'm a terribly irresponsible eater - I love soft-boiled eggs and chocolate. I never met a chocolate I could not eat.

~Danielle Steel

To be able to touch lives, and touch a life that you don't even know, is an extraordinary thing.

~Danielle Steel

I decided I would never do interviews again.

~Danielle Steel

Never lend your car keys to someone you gave birth to.

~Danielle Steel

I wish I were brave, although I try. I work too hard and don't play enough. Too much work ethic, not enough 'fun'.

~Danielle Steel

I grew up with my father, so I know more about cars than most women.

~Danielle Steel

Never lose hope, and if you can, find the courage to love again.

~Danielle Steel

Feelings aren't sensible. Sometimes you fall in love with people who don't make sense. And the ones who do make sense turn out to be the wrong ones.

~Danielle Steel

So often people tell me: you got me through this, you've really helped me. And I never realized that part of what I do is that I give people hope.

~Danielle Steel

By sharing an experience, or creating an experience that we all go through where the character survives - though not easily, I always say that it's victory at a price - does give people hope.

~Danielle Steel

I think I'm very real as a person, and that comes across in my work.

~Danielle Steel

I think people face that in any artistic field, this idea of: oh, I could do that, if I had the time.

~Danielle Steel

The way the world sees women vs. men is a subject that really interests me.

~Danielle Steel

I have these wonderful homes, and no one to share them with.

~Danielle Steel

I just write all the time! I'm always working. I usually work on several books at once.

~Danielle Steel

I publish six books a year now, which is very exciting. But it keeps me into my typewriter at all times! Now that my children have grown up, I'm with my typewriter 20 hours a day.

~Danielle Steel

Long-distance relationships are another way of avoiding intimacy.

~Danielle Steel

There's no style, nobody dresses up-you can't be chic [in San Francisco]

~Danielle Steel

I studied literature design and fashion design.

~Danielle Steel

My kids are more precious to me than anything. I'm with them all day, and I write all night.

~Danielle Steel

It's hard being visible, so I've made myself invisible.

~Danielle Steel

My early reviews were so bad that I decided I didn't want to read them

again.

~Danielle Steel

People do strange things sometimes, when they feel hopeless.

~Danielle Steel

Love meant something to her, she dreamt of it, thought of it, wrote of it. It was the one thing in life that had eluded her completely.

~Danielle Steel

The usual way - through a long series of rejections, revising my manuscripts, and kept trying again and again. Finally I was fortunate enough to find a good agent.

~Danielle Steel

He was gone, and she was broken hearted, that was all that mattered.

~Danielle Steel

Nothing is irreversible except dying.

~Danielle Steel

Motherhood is not for the faint-hearted. Frogs, skinned knees, and the insults of teenage girls are not meant for the wimpy.

~Danielle Steel

I don't buy trends, because the pieces don't last and I wind up never wearing them. That's why I like to shop with my children; they'll always tell me the truth.

~Danielle Steel

I started writing stories as a child.

~Danielle Steel

When you can bring yourself to write about it one day, you will find it all

less painful. It is a catharsis of sorts, but the process can be brutal. Don't do it until you're ready.

~Danielle Steel

I'm astonished by my success.

~Danielle Steel

For the moment, my life is a little schizophrenic.

~Danielle Steel

And the worst thing she had heard were the words he hadn't said, the fact that he hadn't loved her.

~Danielle Steel

I don't want to have to give up me, in order to be his.

~Danielle Steel

But even she had figured out that there was no point giving up a great job and following him to the ends of the earth, when he simply refused to make any promises about, or even discuss, the future.

~Danielle Steel

If it's meant to be, they'll find a way to make it work eventually.

~Danielle Steel

Love is quite violent. It is so painful at times, so devastating. And there is nothing worse or better. We find the highs and lows equally unbearable. But then again, the absence of them is more so.

~Danielle Steel

There's a lid for every pot... You Just have to find yours. -Avery

~Danielle Steel

She didn't want to let go of him, or the baby, but sometimes life made

you give up what you loved most.

~Danielle Steel

At the moment, I'm enjoying John Grisham quite a bit.

~Danielle Steel

I've rarely met a shoe I didn't like.

~Danielle Steel

I completed my first novel when I was 19 years old.

~Danielle Steel

I once looked like Norman Mailer in a picture with bad lighting.

~Danielle Steel

I love what I do. I'm so lucky.

~Danielle Steel

What's ready? Was Steinbeck ready? Hemingway? Shakespeare? Dickens? Jane Austen? They just did it, didn't they?

~Danielle Steel

You can't move ahead until you bury the past.

~Danielle Steel

Somebody once said to me that photography and writing don't get respect because people think that they can do it, too.

~Danielle Steel

Sometimes, I think one should only live in the present. The past is only a heavy burden to carry with you. And yet... it's so hard to let them go... to forget... to move ahead.

~Danielle Steel

I don't just want to catch some guy and have a bunch of kids. I want to make something of myself.

~Danielle Steel

I have a few obsessions in life, and one is shoes!

~Danielle Steel
