I love the DJ scene out in the clubs. It is a great way to party and make people happy, the atmosphere is one that I use as an escape from reality.

~Danny Masterson

I am really into '70s music, like The Rolling Stones, The Doors and what not.

~Danny Masterson

I know people who do a lot of drugs, and they keep thinking about things from the past and things ahead. But they're not living right here and now.

~Danny Masterson

When I was 15, my parents left town for a month. They hid the keys to the car, but I found them.

~Danny Masterson

I have done about 15 movies so far and am on my 5th season on That '70s Show.

~Danny Masterson

If I could make millions of dollars being a softball player, I would quit acting in a second.

~Danny Masterson

I am a hip-hop fanatic, and rock fanatic.

~Danny Masterson

Unless something real cool comes along, I will probably be doing features, so long as I can make a living doing that. Otherwise, I will do another show.

~Danny Masterson

I generally will answer any question about anything.

~Danny Masterson

Sometimes I wonder if I would've been more successful if I wasn't acting and I concentrated on other things. But I love being on set. I love working with my 100 crew members.

~Danny Masterson

If I'm working, I'm not D.J.'ing. And if I'm not working, I'm D.J.'ing all the time.

~Danny Masterson

I really like fashion, but I'm not a fashionista by any means.

~Danny Masterson

Spin-offs were never really my thing.

~Danny Masterson

When you have another actor as your boss, they understand how to communicate easier sometimes than just a writer.

~Danny Masterson

See, my strumpf is in my hair. Now, I don't know what strumpf means. It's just a term some brothas gave me.

~Danny Masterson

My job is summer camp. I come and talk and try to make a TV show funny.

~Danny Masterson

Plenty of people are raised Catholic and then aren't Catholic anymore, like any religion.

~Danny Masterson

I'd rather do movies 'cause I am better at movies, but I do shows 'cause the opportunities have come forward.

~Danny Masterson

I was modeling since I was four and acting in commercials since I was five.

~Danny Masterson

I was modeling since I was four and acting in commercials since I was five- this was when I was in New York. I then moved to LA when I was 16 but before that I had done a play on Broadway.
