## Quotes

*Home, Brain, People, Knows, Doctors, Want, Lots Of Money, Bigs, Democratic Party, Party, I've Learned, Way, President, Example, Florida, Running, Two, Writing, Dialogue, Years*

I was diagnosed with everything from schizophrenia to multiple personality disorder.

~Darrell Hammond

I ran into an extraordinary doctor. He got up inside my head and figured out how my brain processed things, what my core values were, what my inner dialogue was.

~Darrell Hammond

Performing with anthrax in the building is not nearly as difficult as performing in a home where you might get stabbed at night.

~Darrell Hammond

Everyone always told me that I had the symptoms of a P.O.W.

~Darrell Hammond

I don't know if I want to be a big star though.

~Darrell Hammond

If I can get a sanitized version of reality, I'll take it.

~Darrell Hammond

I think I wanted to write a book about the relationship between the victim and perpetrator in which the victim agrees to remain silent.

~Darrell Hammond

I've learned sometimes you just have to take the bad from people.

~Darrell Hammond

I have to give the SNL crew props - it cannot have been easy to work with me.

~Darrell Hammond

Not everyone can invest their heart into learning something and making

it fully realized, and the chances are 9 out of 10 that it's gonna get thrown away.

~Darrell Hammond

It's tough to play the right chord on the instrument when there's someone out there who wants to kill you.

~Darrell Hammond

Some of the funniest people I know are not screwed up in the head.

~Darrell Hammond

The danger with running for president is sooner or later some sound bite is going hit.

~Darrell Hammond

It can't have been fun to live with somebody whose brain was under siege.

~Darrell Hammond

I'll get to make a lot of money and do some bad sitcoms.

~Darrell Hammond

I'm not sure how a world leader reacts to the work of a clown.

~Darrell Hammond

I've become fascinated by the idea that it's really achievable to make two or three small improvements in a week and by the end of the year, it's 150 improvements.

~Darrell Hammond

College kids, don't be taking examples from me.

~Darrell Hammond

I belong to the Democratic Party.

~Darrell Hammond

I was on as many as seven medications at one time, doctors didn't know what to do with me.

~Darrell Hammond

I perform in the major leagues of what I do. It's incredible.

~Darrell Hammond

I was never in a mental institution for a long time. I was in psych wards.

~Darrell Hammond

If you're injured, it changes the way you move. If you're injured, it changes the way you talk.

~Darrell Hammond
