Try to remember that being unsuccessful in school doesn't automatically mean you'll be unsuccessful in life. Lots of people who didn't excel in school still went on to have successful lives.

~Dav Pilkey

A book without potty humor is like a banana split without hot fudge. It can still be good, I suppose, but you kinda get the feeling that something is missing.

~Dav Pilkey

Nothing prevents boredom like a good book.

~Dav Pilkey

Encourage kids to be creative without worrying about being perfect.

~Dav Pilkey

Once I have the story in my head, I write it down. The illustrations usually come last.

~Dav Pilkey

Having a sense of fun in books is a huge, huge deal, because a lot of times kids - even me when I got to third or fourth grade - don't associate reading with fun.

~Dav Pilkey

I had a lot of reading problems growing up.

~Dav Pilkey

My books are just pure escapism for kids.

~Dav Pilkey

My reading preferences are kind of all over the board - I read nonfiction, I read graphic novels.

~Dav Pilkey

I think my funny books are my favorites because I like to laugh so much.

~Dav Pilkey

Grown-ups do a lot of complaining!
