It's impossible to compare two bands. It would be like comparing two lovers.

~Dave Navarro

I'm either shooting nine grams of coke a day or spending two hours at the gym. There's no middle ground.

~Dave Navarro

There is no love left in your eyes, there is no love between your thighs.

~Dave Navarro

I have never been sexually aroused by a man. But I have yet to kiss Johnny Depp, so you never know.

~Dave Navarro

I grew up listening to albums by Pink Floyd, Led Zeppelin and Jimi Hendrix, and they all worked on that multi-layered level.

~Dave Navarro

I wish I was a shredder that could play everything, but I don't have the patience.

~Dave Navarro

I'm as obsessive with health as I was with destruction.

~Dave Navarro

So as long as I can do the music or create, I'll feel fine.

~Dave Navarro

And I've also come to the conclusion that, as far as guitar solos and things like that are concerned, it's more important to complement the music rather than take away from it.

~Dave Navarro

I've done a lot of talk shows where you can tell that the host is just thinking about what he wants to say next while you're answering him and that's really uncomfortable.

~Dave Navarro

I'm thrilled I have the opportunity to do the Spread show and have the terrific sponsors that we work with like Nikon or Verizon.

~Dave Navarro

I've always been a fan of music where you can hear new things each time you listen.

~Dave Navarro

For me, it doesn't matter how difficult something is, it doesn't matter how impressive it is, it's what sounds best that really counts.

~Dave Navarro

Guitar playing is just something that came to me and is really second nature now.

~Dave Navarro

Jane's Addiction has only put out new music when our hearts were in and when we had something to say creatively.

~Dave Navarro

Men are much more aggressive with their advances.

~Dave Navarro

I'm not the type of player to sit home and practice scales and work on runs.

~Dave Navarro

I've always recorded the same way. I put down as many ideas as I have, then strip them away at the mixdown. It's better to have too much

music than not enough.

~Dave Navarro

My God! So sad to hear about Amy Winehouse! My deepest condolences to her friends and family and fans. You will be missed  
Amy xoxox

~Dave Navarro

Yeah, I can read music and I know the names of chords.

~Dave Navarro

As a viewer of television if there's something I don't like or find offensive, I just don't watch it.
