There are no strangers in Freemasonry, only friends you've yet to meet.

~Dave Thomas

Every child deserves a home and love. Period.

~Dave Thomas

Hard work is good for the soul, and it keeps you from feeling sorry for yourself because you don't have time.

~Dave Thomas

What's the secret to success? It's no secret. You need a winning attitude, honesty and integrity, and a burning desire to succeed.

~Dave Thomas

Opportunities don't knock at all. They don't have to, they're already all around us. It's up to us to see where they are and take advantage of them.

~Dave Thomas

The more you give to others, the more you get in return.

~Dave Thomas

You earn your reputation by the things you do every day.

~Dave Thomas

Don't be afraid to be unique or speak your mind, because that's what makes you different from everyone else.

~Dave Thomas

It all comes back to the basics. Serve customers the best-tasting food at a good value in a clean, comfortable restaurant, and they'll keep coming back.

~Dave Thomas

Whether you sell hamburgers or computers, we're all in the customer service business. Our goal must be to exceed our customers' expectations every day.

~Dave Thomas

You can do what you want to do. You can be what you want to be.

~Dave Thomas

Deliver total quality to every customer every day.

~Dave Thomas

There's no one to stop you but yourself

~Dave Thomas

You are what you eat. Which makes me cheap, quick and easy.

~Dave Thomas

Everyone's got to be for a child to have a home and love. I mean I don't know anyone who would be against that.

~Dave Thomas

If you like your remote messaging fat, dumb, and interoperable, you could also look into the SOAP libraries distributed with Ruby.

~Dave Thomas

What people forget is that every movie that gets made keeps making money for somebody FOREVER.

~Dave Thomas

Give everyone a chance to have a piece of the pie. If the pie's not big enough, make a bigger pie.

~Dave Thomas

There is no doubt in my mind that Masonry is the cornerstone of

America.

~Dave Thomas

All programming is maintenance programming, because you are rarely writing original code.
