Buildings are deeply emotive structures which form our psyche. People think they're just things they maneuver through, but the makeup of a person is influenced by the nature of spaces.

~David Adjaye

I'm totally into architecture for all strata of society. High design should not just be for rich people.

~David Adjaye

Context is so important, not to mimic but to become part of the place. I wanted a building that acknowledges its surroundings.

~David Adjaye

For me, architecture is a social act.

~David Adjaye

Africa is an extraordinary opportunity at the moment
