Everything I make as a producer, I visualize it as a DJ first. And all those beats, I test them as a DJ.

~David Guetta

I headline concert halls for 20,000 people, but I still play smaller venues.

~David Guetta

I'm not the type of person to live in fear. I think positively.

~David Guetta

I want to party in space because I make alien music.

~David Guetta

I am trying to walk a tightrope; trying to keep the DJ community happy while trying to spread the message about dance music to more people. That is the mission that I am on.

~David Guetta

Inside a soul, there's a hero to discover

~David Guetta

I can't imagine my world without music. It's the universal language; what I make comes from my heart. What I listen to from others stirs it.

~David Guetta

I don't do this for the money, I don't do it for record sales, I don't really care about that, I just want to make beats.

~David Guetta

I'm totally not a nostalgic person. I always look to the future and as much as I've enjoyed the ride until now and the different phases, I'm more excited about the next music.

~David Guetta

Take care of yourself, and do unto others as you would have done to you.

~David Guetta

Music. I live it and breathe it. It wakes me up in the morning, puts me to sleep at night and is with me all day.

~David Guetta

I love to make people dance; it's a way of bringing people together regardless of religion, nationality, sexuality, belief.

~David Guetta

Wish I could spin my world into reverse just to have you back again

~David Guetta

Be Love; there is nothing greater.

~David Guetta

It's nice because success has allowed me to have a blast on stage, to be in the studio with amazing people, but I find it all a bit bizarre.

~David Guetta

When you're too relaxed it's not good to create.

~David Guetta

All the big artists I talk to say that they are trapped in a formula and they are looking for the music of tomorrow.

~David Guetta

You know, kids come to see me in the same way that their parents would go to see a rock concert.

~David Guetta

So dance music is now pop music. So now, as a dance producer, what

do I have to do? So I'm starting to do alien music, because pop is not pop anymore; we need to go alien to be independent.

~David Guetta

My routine is fly, play, sleep, record. My center is the music I am making; when I see people together wherever it is on the planet, that we connect, that's what keeps my heart beating.

~David Guetta

I want to see unity. I want to see peace. I want people to be free to speak, be educated. I want people to be able to feed themselves.

~David Guetta

Our job as producers is to make the music sound as good as possible.

~David Guetta

If you put a demo on the net and people say it was the finished version then they're going to say it sucks. I really hate that.

~David Guetta

We are one energy. Together we can make a change.

~David Guetta

Everything I do comes from the clubs. If I lose that, I'm done.

~David Guetta

Even in ancient times, people would unite to a beat. Now we have the internet and events worldwide, our frequency can be shared. Everyone can express themselves to the planet.

~David Guetta

I want to support the United Nations who can share our voice and make us heard. What they do makes the world a better place; if each of us can just give a word to their cause, it will only get better.

~David Guetta

Traveling all around the world, music sounds different.

~David Guetta

I wanna be a nice guy.

~David Guetta

My studio is a laptop. Everybody I work with is the same. We make computer music, we're the laptop generation.

~David Guetta

The more melodies and chord changes, the less good it is for the clubs, but the better it is for radio, because it makes it really emotional.

~David Guetta

Kids listen to everything on the Internet.

~David Guetta

Every time I come with an album I try to do something different and obviously my life has an influence on how I feel and the type of message I want to give with the music.

~David Guetta

What most people want, I guess? I want the individual to know that if we unite, we are not powerless.

~David Guetta

Sometimes two artists wanna work together, but it doesn't mean it's gonna happen, because you have to find the right idea.

~David Guetta

I've created a bridge between European electronic culture and urban American culture, and I've worked with established brands.

~David Guetta

I mix up all styles on my albums because that is what music is about now.
