Aside from the occasional genocide, oppression, evil and torture, etc., it is inarguable that public policy could be implemented more rapidly in an autocracy.

~David Harsanyi

A true fascist is anyone who wants to take away my air conditioning or force me to ride a bike.

~David Harsanyi

Throughout the Old Testament, God warns his chosen people about the perils of assimilation, shiksappeal and false gods.

~David Harsanyi

Common Core, the initiative that claims to more accurately measure K-12 student knowledge in English and math, also encourages children to step up their "critical thinking."

~David Harsanyi

In summation, like your beloved pet rock, Twitter is useful only in your imagination.

~David Harsanyi

The realization that you can't predict the future -- and mold it -- could only come as a shock to an academic.

~David Harsanyi

Are you sick and tired of these moralizing moralizers imposing their morality on the rest of us? I know I am.

~David Harsanyi

Washington has a mysterious power to turn perfectly reasonable, wholesome, well-meaning human beings into equivocating crooked gasbags.

~David Harsanyi

The Founding Fathers worried that some common impulse of passion might lead many to subvert the rights of the few. It's a rational fear, one that is played out endlessly.

~David Harsanyi

Most nanny-state initiatives begin on a local level.

~David Harsanyi

Twitter's popularity and usefulness are mysteries to me.

~David Harsanyi

I believe that the war on drugs is a tragically misplaced use of resources - an immoral venture that produces far more suffering than it alleviates.

~David Harsanyi

Political correctness is one of the engines of nannyism. Allowing and even encouraging offensive ideas is vital for the intellectual health of a free society.

~David Harsanyi

Obama acknowledges his overreach openly every time he argues that he intends to do the job of an obstinate Republican congress.
