Believe it can be done. When you believe something can be done, your mind will find the ways to do it. Believing a solution paves the way to solution.

~David J. Schwartz

Where success is concerned, people are not measured in inches, or pounds, or college degrees, or family back-ground; they are measured by the size of their thinking.

~David J. Schwartz

Believe Big. The size of your success is determined by the size of your belief. Think little goals and expect little achievements.

~David J. Schwartz

Those who believe they can move mountains, do!

~David J. Schwartz

People do more for you when you make them feel important.

~David J. Schwartz

The thought "It's impossible" sets off a chain reaction of other thoughts to prove you're right.

~David J. Schwartz

Success shuns the man who lacks ideas.

~David J. Schwartz

Belief releases creative powers.

~David J. Schwartz

The thinking that guides your intelligence is much more important than how much intelligence you may have.

~David J. Schwartz

The test of a successful person is not an ability to eliminate all problems before they arise, but to meet and work out difficulties when they do arise.

~David J. Schwartz

Here is the first step toward success. It's a basic step. It can't be avoided. Step One: Believe in yourself, believe you can succeed.

~David J. Schwartz

Action cures fear. Indecision, postponement, on the other hand, fuel fear.

~David J. Schwartz

Think first class about everyone around you, and you'll receive first-class results in return.

~David J. Schwartz

Build castles, don't dig graves.

~David J. Schwartz

Big thinkers are specialists in creating positive, forward-looking, optimistic pictures in their own minds and in the minds of others.

~David J. Schwartz

Life is too short to waste. Dreams are fulfilled only through action, not through endless planning to take action.

~David J. Schwartz

The person determined to achieve maximum success learns the principle that progress is made one step at a time.

~David J. Schwartz

Knowledge is power only when put to use - and then only when the use made of it is constructive.

~David J. Schwartz

Believe it can be done. When you really believe something can be done, your mind will find the ways to do it.

~David J. Schwartz

There is a good side to every situation.

~David J. Schwartz

Attitudes are more important than intelligence.

~David J. Schwartz

It's better to wear out than rust out.

~David J. Schwartz

Don't let tradition paralyze your mind. Be receptive to new ideas. Be experimental. Try new approaches. Be progressive in everything you do.

~David J. Schwartz

Then it dawned on me that no one else was going to believe in me until I believed in myself.

~David J. Schwartz

Think doubt and fail. Think victory and succeed.

~David J. Schwartz

How much we can do, depends on how much we THINK we can do.

~David J. Schwartz

Goals are as essential to success as air is to life.

~David J. Schwartz

Hope is a start. But hope needs action to win victories

~David J. Schwartz

The mind is what the mind is fed.

~David J. Schwartz

How you think determines how you act. How you act in turn determines how others react to you.

~David J. Schwartz

Get the action habit - you do not need to wait until conditions are perfect.

~David J. Schwartz

Those who believe they can move mountains, do. Those who believe they can't, cannot. Belief triggers the power to do.

~David J. Schwartz

Am I worthy in every respect of being imitated?

~David J. Schwartz

Believe, really believe, you can succeed, and you will.

~David J. Schwartz

Get the big view of your job. Think, really think your present job is important. That next promotion depends mostly on how you think toward your present job.

~David J. Schwartz

When you help others feel important, you help yourself feel important too.

~David J. Schwartz

Every day thousands of people bury good ideas because they are afraid to act on them. And afterwards, the ghosts of these ideas come

back to haunt them.

~David J. Schwartz

How can I give more than is expected of me?

~David J. Schwartz

Remember, you see in any situation what you expect to see.

~David J. Schwartz

How much we can do depends on how much we think we can do. When you really believe you can do more, your mind thinks creatively and shows you the way.

~David J. Schwartz

Believing something can be done sets the mind in motion to find a way to do it.

~David J. Schwartz

Hesitation only enlarges, magnifies the fear. Take action promptly. Be decisive.

~David J. Schwartz

Believe triggers the power to do.

~David J. Schwartz

To think confidently, act confidently... Act the way you want to feel.

~David J. Schwartz

Think you are weak, think you lack what it takes, think you will lose, think you are second class - think this way and you are doomed to mediocrity.

~David J. Schwartz

Just enough sense to stick with something-a chore, task, project, until

its completed pays off much better than idle intelligence, even if idle intelligence be of genius caliber.

~David J. Schwartz

Luck take a second look at what appears to be someone's good luck. You'll find not luck but preparation, planning, and success-producing thinking.
