Emotional, Faster, Creative*

Entrepreneur is someone who has a vision for something and a want to create.

~David Karp

Find a space where you can be creative and a place where you are open for free thinking, you want to enjoy what you are doing and do what you are best at.

~David Karp

There are a lot of rich people in the world. There are very few people who have the privilege of getting to invent things that billions of people use.

~David Karp

The biggest lesson has been the importance of constantly repeating the mission. It means bringing the team together every week to talk about all of our projects, progress, and vision.

~David Karp

We've tried to keep as cheap and lean an operation as possible.

~David Karp

Good products are built by people who want to use it themselves

~David Karp

Every feature has some maintenance cost, and having fewer features lets us focus on the ones we care about and make sure they work very well.

~David Karp

I never spent much time with people my own age.

~David Karp

Our team isn't changing. â€¦ And our mission - to empower creators to

make their best work and get it in front of the audience they deserve - certainly isn't changing.

~David Karp

Tumblr was simply a tool for anyone to make a blog like mine.

~David Karp

I want to build something I'd be happy to be employed by 10 years out.

~David Karp

For every new feature we add, we take an old one out. A lot of big sites don't do that, and it's a problem.

~David Karp

I think appointments are caustic to creativity.

~David Karp

The more people we have on our team. the less room there is in the elevator and the more complicated everything gets.

~David Karp

I've found that if you're not responsive to e-mail, it trains people to leave you alone.

~David Karp

I'm very antischedule. Except for board meetings, I don't really schedule things or keep a calendar. I think appointments are caustic to creativity.

~David Karp

I always carry my camera with me.

~David Karp

People tell me I need an assistant, but I dont want one.

~David Karp

I'm always so surprised when people fill their homes up with stuff.

~David Karp

Reading for me will be a combination of books, magazines, Tumblr, and just kind of the Web in general on the iPad.

~David Karp

We're not motivated by money. We are into this thing that we're building.

~David Karp

You guys are more talented than anyone in the Tumblr office or in Palo Alto or Sunnyvale. We're constantly in awe, constantly in service.

~David Karp

Where I feel the most productive and engaged is when I'm buried in code, buried in some project, tweaking some designs. I'm certainly introverted.

~David Karp

We couldn't be happier with our Storyboard team's effort.

~David Karp

Tumblr gets better faster with more resources to draw from.
