Call me an alarmist, but we are witnessing the beginning of the most frightening period of government tyranny in our nation's history.

~David Limbaugh

Socialism destroys the incentive to produce, dampens the human spirit and results, ultimately, in less for everyone.

~David Limbaugh

I am neither accusing President Obama of having committed high crimes and misdemeanors nor advocating his impeachment.

~David Limbaugh

Americans oppose Obamacare because they understand that it is inconsistent with our liberties and our idea of limited government and that it will destroy the best health care system in the world.

~David Limbaugh

Obama is a human wrecking ball single-handedly destroying our economy and bankrupting the nation.

~David Limbaugh

Obama is ratcheting up his class warfare to levels that would make Marxists blush.

~David Limbaugh

We are living in a time when the very integrity of the Constitution is being threatened daily, from federal bailouts to federal assumption of control over private business.

~David Limbaugh

Any concerns that Romney will adopt McCain's milquetoast campaign model are quickly diminishing.

~David Limbaugh

Mitt Romney has outdone himself in choosing Rep. Paul Ryan as his running mate.

~David Limbaugh

Obama hasn't been divisive just because his policies are so unpopular, though that's a large part of it.

~David Limbaugh

For liberals, supposedly good intentions always trump results.

~David Limbaugh

One might reasonably wonder whether any amount of failed results would cause liberals to reevaluate the wisdom - and even fairness - of their proposals.

~David Limbaugh

This is all disgraceful and underscores how imperative it is that Obamacare be fully repealed and that the newly elected GOP Congress get a backbone and stand up to this cadre of scofflaws.

~David Limbaugh

Half-truths can be as deceptive as outright lies.

~David Limbaugh

If you understand liberals at all, you know that they'll never agree to market-based solutions for ideological reasons and because an expanding dependency class is their most essential power source.

~David Limbaugh

Obama's position on marriage is brazenly cynical.

~David Limbaugh

President Obama has admitted that Medicare is on an unsustainable course and that no amount of tax increases can fix it.

~David Limbaugh

It must be easy to be a liberal. When your policies don't work, you just change the goal posts and say we haven't done enough - and then demand more.

~David Limbaugh

In consigning Elian back to slavery without a hearing, this administration is setting back the cause of freedom -- in this country and in Cuba.
