

David Miliband Quotes

*Business, Environmental, Country, War, Climate, Thinking, Mean, Vision, Two,
Water, School, Opportunity, Cameron, Running, Fighting, Teacher, Ends,
Conservative, Commitment, Carbon Emissions*

In the end, human history is made up of all our decisions.

~David Miliband

Consuming three planets' worth of resources when in fact we have one is the environmental equivalent of childhood obesity - eating until you make yourself sick.

~David Miliband

John Major put the 'er' back into Conservative, David Cameron's put the Con into Conservative - and Norman Lamont put the VAT into Conservative!

~David Miliband

I've committed myself to serve my constituents in South Shields and I have committed myself to British politics.

~David Miliband

Good politics starts with empathy, proceeds to analysis, then sets out values and establishes the vision, before getting to the nitty-gritty of policy solutions.

~David Miliband

Everything about my politics has been about the future.

~David Miliband

If you decide to run for the leadership, you have to go through it with the people you love. But you also have to protect them and I am determined to protect my mum.

~David Miliband

I don't think I've ever been accused of being faddish. I'm more Marks & Spencer than Ted Baker.

~David Miliband

The window of opportunity to avoid dangerous climate change is closing more quickly than previously thought.

~David Miliband

Essentially, by 2050 we need all activities outside agriculture to be near zero carbon emitting if we are to stop carbon dioxide levels in the atmosphere growing

~David Miliband

Dangerous climate change... It's important not to be alarmist but it is very important to be alarmed

~David Miliband

The science is getting worse faster than the politics is getting better.

~David Miliband

We know from history that the way wars are concluded is absolutely the key to whether or not there is any peace to be kept.

~David Miliband

In the future, every industry should be an environmental industry. In a world where energy and carbon emissions are constrained, every business must take resource productivity seriously

~David Miliband

I'm a great believer in the Arsene Wenger school of management - which is, you don't worry about the opposition, you just get your own act together.

~David Miliband

And the truth is, those who are terrorists only have to succeed once, and those of us who are trying to build an inclusive society have to succeed every time.

~David Miliband

We are a European nation - must stay one.

~David Miliband

Crushing defeat for Great Britain #Euref. History will show no one won today.

~David Miliband

What's now urgently needed [to stop environmental disaster] is the international political commitment to take action to avoid dangerous climate change.

~David Miliband
