Winning isn't the end of the world

~David Pleat

Eighty per cent of teams who score first in matches go on to win them. But they may draw some - or occasionally lose.

~David Pleat

Of course, Steven Gerrard is one of only a few Liverpool players who never get left out by Rafa; and even he doesn't always get picked.

~David Pleat

I'm not too sure how much you get for winning the Champion's League, but it's definitely 10 million euros.

~David Pleat

There's too much - I don't know what the word is - scientology in the game.

~David Pleat

There's always been a fierce rivalry between Spurs and Tottenham.

~David Pleat

You know sometimes football turns on the slightest biscuit of good fortune.

~David Pleat

For such a small man Maradona gets great elevation on his balls

~David Pleat

I've seen some players with very big feet ... and some with very small feet.

~David Pleat

The zip on the pitch is very zippy

~David Pleat

Sammy Lee is another inbred player

~David Pleat

A game is not won until it is lost.

~David Pleat

When you've got a mountain to climb you may as well throw everything into the kitchen sink.

~David Pleat

I feel like a drunken man who doesn't have a drink.

~David Pleat

Ronaldo has been compared to the incomparable George Best

~David Pleat

He is an interesting player - short back legs.

~David Pleat

I was inbred into the game by my father

~David Pleat

He's had a lovely career for the talent he's got.

~David Pleat

Pires has got something about him, he can go both ways depending on who's facing him

~David Pleat

Preki quite literally only has the one foot

~David Pleat
