Running, Helping, School, Intelligent, Towers, Leader, Country, Lying, Green,  
Television, Believe, Girly*

If Michael Steele doesn't make you sad, well, then there's radio host Rush Limbaugh, no longer content with wanting the President to fail, Rush is now calling out Mr. Obama as a girly man.

~David Shuster

Most of us entered journalism and joined "news organizations" because we care about the greater good. We strive to comfort the afflicted and afflict the comfortable.

~David Shuster

Prosecutors tend to love conspiracy charges because the rules of evidence are easier, meaning you can get more in to help prove a crime.

~David Shuster

Most conservative and progressive talk radio is primarily just that - bloviated opinion and whacky viewer calls.

~David Shuster

There are a lot of folks at Fox News who bring a certain level of sophistication to their understanding of politics.

~David Shuster

As for UFO's ... I do believe there is a dimension that we don't understand. Not sure about little green martians, though.

~David Shuster

Many conspiracies are not criminal, even conspiracies that involve slamming somebody.

~David Shuster

Critics of Fox News have pointed out that Fox News does partisan propaganda, and there's ample evidence on a daily basis.

~David Shuster

MSNBC will never be as liberal as Fox is conservative.

~David Shuster

I thought Obama was brilliant. He's so informed. He's circumspect. He's articulate. He's thoughtful. Well, I think in my lifetime, there's never been anything like it.

~David Shuster

Meet the Press is the oldest and most treasured public affairs show on television.
