The odd thing about recurring dreams is that, no matter how many times you dream the same thing, it always takes you by surprise.

~David Small

.... When you have no voice, you don't exist

~David Small

Even though I have this solid career in picture books, I've not only been thinking about kids - because I don't think that much about children; I'm not a child educator; I'm just a former child.

~David Small

Humanization and coming to understand somebody as a human being is about as good a kind of forgiveness as you can get, I think.
