I still am a geek, I don't think there's anything wrong with it. I see no shame in having an unhealthy obsession with something.

~David Tennant

Some people live more in 20 years than others do in 80. It's not the time that matters, it's the person.

~David Tennant

I'm a good person, I hope. But I'm never as good as I want to be, never as nice as I want to be, never as generous as I want to be.

~David Tennant

I've always been a geek and slightly awkwardâ€¦ slightly ummâ€¦ I was never the cool kid at school.

~David Tennant

If you speak in a different accent, you begin to move in a slightly different way. You think in a slightly different way. It's part of trying to find what makes a character.

~David Tennant

To have someone who's got a strong individual voice that is allowed to be heard is quite increasingly rare. These people need to be cherished.

~David Tennant

I think if my eight-year-old self could see me at the Royal Albert Hall winning a prize for playing the Doctor on telly, he would need a stiff shot of Irn-Bru.

~David Tennant

Moths are the ones that freak me out. It's something to do with the way that, if they get squashed, they turn to dust. There's something very wrong about that. It all feels a bit Gothic.

~David Tennant

It's very hard to be objective about something you're in, especially when you set it up against things that you experienced as a child.

~David Tennant

How galling to watch someone who looks like you, who basically is you, do all the shagging you didn't get to do.

~David Tennant

I mean, you know, while I'm acting on stage I'm ranking quite high, but in a room with Barack Obama I'm probably into negative digits. I never feel very famous.

~David Tennant

And the very fact of how you speak somehow influences who you are. The way you move, the way you think, it seeps into your being, and it's quite hard to really break that down entirely.

~David Tennant

An accent has to do with the way your mouth works and the sounds that come out of your head, but somehow it informs everything about you.

~David Tennant

Twitter! It's like being stalked by committee!

~David Tennant

I love characters who are clever and smart, and you have to run to catch up with. I think there's something very appealing and rather heroic in that.

~David Tennant

I think doing different accents is part of the job of acting, really. It's

something else that I quite enjoy the challenge of, to be honest.

~David Tennant

We seem to spend a lot of our time in very small spaces spouting a lot of dialogue very quickly.

~David Tennant

I always like seeing people transforming themselves, in whatever way that might be, and a different accent is part of that.
