Good grooming is integral, and impeccable style is a must. If you don't look the part, no one will want to give you time or money.

~Daymond John

You don't have to work for a big corporation if you don't want to.

~Daymond John

Life is a cruel teacher. She loves to give you the test first and the lesson later.

~Daymond John

Success is waking up every day and doing what you want to do

~Daymond John

An entrepreneur must pitch a potential investor for what the company is worth as well as sell the dream on how much of a profit can be made.

~Daymond John

I do today what people won't, so I achieve tomorrow what other people can't.

~Daymond John

In my mind, there are too many copycat web products out there that are doing the same thing.

~Daymond John

It takes the same energy to think small as it does to think big. So dream big and think bigger.

~Daymond John

If you aren't living your dreams then you're living your fears.

~Daymond John

Everyone has an idea, but it's taking those first steps toward turning

that idea into a reality that are always the toughest.

~Daymond John

Strategic partners are way more important than money.

~Daymond John

It will never be a perfect time, you can only make time perfect.

~Daymond John

You don't get rich off your day job, you get rich off your homework.

~Daymond John

Poor people put a low value on themselves and their efforts.

~Daymond John

Always dress to what is accurate to who and what you are.

~Daymond John

When you succeed you have a million people to thank, but when you fail there is only one person to blame.

~Daymond John

If you don't educate yourself, you'll never get out of the starting block because you'll spend all your money making foolish decisions.

~Daymond John

We all want the freedom to make our own decisions.

~Daymond John

I think it's only failure if you put the word failure on it. I think it's part of the process of learning where you're going to go and what doesn't work.

~Daymond John

When you have a large amount of the workforce being laid off, some of them have no other choice but to go out there and invent something.

~Daymond John

I've failed way more than I've succeeded.

~Daymond John

I don't want to leave my kids an inheritance, I want to leave them a legacy

~Daymond John

When you sell a product or service, you're making a promise to your audience. If you don't understand your audience, you'll never be able to keep that promise and you'll ultimately let them down.

~Daymond John

My mother said, "Money is a great slave but a horrible master." It was her version of a French proverb.

~Daymond John

You can make up your own opinion, but you can't make up your own facts, go sell.

~Daymond John

A savvy entrepreneur will not always look for investment money, first.

~Daymond John

As an entrepreneur, you never stop learning.

~Daymond John

Truth is the easiest thing to sell.

~Daymond John

Make sure you're doing something that you love, that you're willing to

do for the rest of your life. If you're doing it for money, that's the only thing you won't make.

~Daymond John

I consider each business investment based on concept and revenue.

~Daymond John

I look to work with businesses that know what they are doing but need larger distribution or exposure.

~Daymond John

~Daymond John

Pioneers get slaughtered, and the settlers prosper.

~Daymond John

If I invest in a CEO, I need him or her to have experience in sales.

~Daymond John

If you can't come clean and tell investors how and why you failed, that raises a red flag. They need to see that you learned from it and came back stronger.

~Daymond John

When looking at trends I always ask myself basic and timeless questions about business, and the one I seem to always come back to is, 'How is this different than anything else in the marketplace?'

~Daymond John

Product is always king.

~Daymond John

As an entrepreneur, you love your business like a child, and you're

taught to be laser-focused on the business.

~Daymond John

I'm not a golf player. I think golf and fishing are the same, but at the end of the day, you can't fry up and golf ball and dip it in tartar sauce. So I'm a fisherman.

~Daymond John

Whether people know it or not, I'm a big nature guy. I like snowboarding, I like fishing, and those are my ways to wind down.

~Daymond John

It is very, very hard to do that ballroom dancing and I am going to be nowhere near it. Now if you have a hot dog eating contest, call me.

~Daymond John

The perfect breakfast is fish with grits and scrambled eggs with onions. I'm getting hungry thinking about that.
