Things that are unknown attract us.

~Deborah Ann Woll

I don't see myself going back to blonde outside of work though. I really like the red.

~Deborah Ann Woll

All of the secrets the vampires held dear have been exposed, and the humans can now fight back as equals in a way, which is scary.

~Deborah Ann Woll

Even just pestering people with questions, and being nosy and pushy and getting her way, are things I think many young women grow up struggling with, to assert themselves.

~Deborah Ann Woll

I was shy and a hard worker, so acting was a way to focus whatever nervous energy I was experiencing onto a goal.

~Deborah Ann Woll

I think we need that to ground us as human beings. I would imagine after an extended amount of time, a vampire might stall a little bit.

~Deborah Ann Woll

I think heroism comes in different packages. The superhero package is one that we're familiar with.

~Deborah Ann Woll

Acting is somewhat mysteriously taught. There are so many different methods and systems and processes for teaching acting because it will

always be an elusive art-form.

~Deborah Ann Woll

I think it's fascinating that there's a whole holiday dedicated to things that we fear and that's so interesting about the nature of humanity.
