Beauty appears when something is completely and absolutely and openly itself.

~Deena Metzger

To follow Story is to understand the path of healing. Each of our stories is a universe. Each one of us is living a story. To discover its shape and essence is essential to soul making.

~Deena Metzger

Creating art and creating ourselves are the same act; art, world, ourselves - these are continuous with one another.

~Deena Metzger

When Stories nestle in the body, soul comes forth.

~Deena Metzger

Some people fear seeing or feeling anything about which there is no general agreement. For others, it is thrilling to be aware of innuendo, shading, complexity.

~Deena Metzger

This is our grace: To be a note In the exact chord that animates creation.

~Deena Metzger

For those who are intrigued by the multiplicity of reality and the unique possibilities of their own vision, the creative is the path they must pursue.

~Deena Metzger

For those who do not wish to step away from consensus, the creative is useless at best; at worst, it is dangerous.

~Deena Metzger

I'll tell you how to get up in the morning.....watch for the dawn.

~Deena Metzger

It's what we do for each other that heals.

~Deena Metzger

The gods come to us in the forms we recognize.

~Deena Metzger

Eighty percent of language lies to us.
