Splits, Heart, Actors, Comedy, Choices, Cutting, Art, Hard Work, Shy*

My choices are like my fingerprints, they make me unique

~Deepika Padukone

I am the universe. Infinite in every direction. This is my choice

~Deepika Padukone

Realize that you are not alone, that we are in this together and most importantly that there is hope

~Deepika Padukone

The fruit of your own hard work is the sweetest.

~Deepika Padukone

I've grown up watching Shah Rukh Khan and never really imagined that one day I will get to play the lead opposite him.

~Deepika Padukone

I am very scared to invest emotionally in a relationship.

~Deepika Padukone

To me, the mind and body are one. I'm very transparent, in a way, and people can very easily make out what mood I'm in.

~Deepika Padukone

If two actors have an equal creative give and take between them, it translates beautifully on the screen.

~Deepika Padukone

Correct me if I am wrong, but I personally feel that the Indian body type is not cut out to be size zero. I am not size zero and I don't believe in that either.

~Deepika Padukone

Relationships or not, I believe that people don't need to know about my

life beyond a certain point.

~Deepika Padukone

I am a big foodie, so much so that I eat in every half an hour. This is the secret of my glowing skin.

~Deepika Padukone

I was getting to perform with an actor with whom I had never interacted before

~Deepika Padukone

Naina is one of the most special films & special characters that I've played in recent times

~Deepika Padukone

Katrina Kaif is doing very well for herself and I'd like to wish her a very Happy Birthday

~Deepika Padukone

It is a common perception that actors don't get along.

~Deepika Padukone

I always think before I speak. I'm not the sort who will just say anything that comes to my mind. I'm a very emotional and sensitive person. But I'm also very strong and know my mind well.

~Deepika Padukone

I can go round the clock without sleep.

~Deepika Padukone

I am not confident around people. Maybe, I have become slightly more confident over the years because of my profession.

~Deepika Padukone

Im a shy person. I contradict my own profession, because Im an introvert in a very glamorous world.

~Deepika Padukone

A split second can ruin or boost the sequence.

~Deepika Padukone

There is a strong side to me, that is of a homemaker. I look forward to spending time at home in the evenings, cooking a meal, chatting with my parents and inviting friends over.

~Deepika Padukone

At some level, I feel it is nice to know that a film of yours is doing well at the box office and has also got great reviews. That feels like success.

~Deepika Padukone

Everything that creative people think and do is from the heart.

~Deepika Padukone

I don't like differentiating between art and commercial cinema.

~Deepika Padukone

I don't think you need any kind of backing here in the industry. I think what you achieve in your life is the result of your own talent and hard work.

~Deepika Padukone

I guess I learnt to appreciate old Hindi-movie music from my dad and somewhere down the line picked up jazz as well.

~Deepika Padukone

I can walk into a room with all my contemporaries and I will be very comfortable.

~Deepika Padukone

I wish to be appreciated not only as a film star but also for the person I am. If I manage to bring a smile on people's faces, then I think I'll be successful.

~Deepika Padukone

It feels nice to be wanted, to be reading and hearing good things about me, so I have to push myself.

~Deepika Padukone

It's good to be on the edge, but I have never followed my mind. I have always followed my heart. And it has yielded the right results.

~Deepika Padukone

I talk to my parents everyday and every move that I make, every endorsement that I do, every film that I do and my everyday activities are all discussed with them.

~Deepika Padukone

I am not sleepy at all!

~Deepika Padukone

I have a lot of friends, but my biggest fear is loneliness. I miss my family in Mumbai, and my biggest nightmare every day is to go back home alone.

~Deepika Padukone

While I believe that when you are in the glamour industry, you have to look your best, I also believe being skinny is not 'hot and happening.'

~Deepika Padukone

I have always believed that chemistry can't be created between two people. You either have it or you don't. The script can only enhance it.

~Deepika Padukone

I am methodical to the point of being obsessive-compulsive. And I have always been good at multi-tasking.

~Deepika Padukone

My parents never raised their hand or fired me. Their way of disciplining me was to tell me what is right or wrong.

~Deepika Padukone

The styling takes you straight into the world of a specific film.

~Deepika Padukone

For doing comedy, a sense of humor is a must!

~Deepika Padukone

Comic timing is something you are either born with or do not have.

~Deepika Padukone

When I am told that I am a huge star, I accept it, knowing that success is relative - the films I do have to work.

~Deepika Padukone

I am enjoying myself and I do not mind the loss of personal time and family time when I am doing good films.

~Deepika Padukone

I still live as normal a life as anybody else. I have two homes to run. I have my staff to take care of. I work, pay bills and attend society meetings like everybody else.

~Deepika Padukone
