*Important, Art, Thinking, Fashion, Talent, Clients, Interesting, Passion, Magic,  
Modern, Needs, Careers, Growing Up, Lying, New York, Beautiful, Helping,  
Father, Team, Entrepreneurial*

I firmly believe that success lies in the combination of both talent and business savvy, and that the magic comes through partnership between both.

~Delphine Arnault

Creativity is really at the center of what I do, it's a mix of creativity, innovation and savoir faire that creates magical products.

~Delphine Arnault

I try to visit stores because it's important to meet the teams and to hear the comments of the salespeople.

~Delphine Arnault

Clients are becoming more and more savvy. They know what's happening in the brands; they know the new products that are coming out.

~Delphine Arnault

I think you need to know your clients.

~Delphine Arnault

When I need to relax, I love to go to the movies or watch a good TV series. I also practice a lot of sport, mostly tennis and swimming.

~Delphine Arnault

You have to prove your success in order to grow.

~Delphine Arnault

That's what's good about life - that you always learn.

~Delphine Arnault

You have to be very brave and very entrepreneurial - you have to dare to create your own brand.

~Delphine Arnault

Its always important to invest in young talents and the talents of tomorrow.

~Delphine Arnault

I think it's interesting to speak when you have something to say.

~Delphine Arnault

I take care of my daughter, because my family is very important to me.

~Delphine Arnault

Competition, of course there's always competition, and I like competition.

~Delphine Arnault

Technology gives big access, and you get more people who are interested in fashion. You can reach many more people now.

~Delphine Arnault

I think an art collection is a lot like a diary. Your taste evolves with time. I try to never sell anything, because its part of my journey.

~Delphine Arnault

Im lucky that its about fashion and perfume and cosmetics. If my father had owned a tire company, I dont know what I would have done.

~Delphine Arnault

If you know everything, it's the end, no?

~Delphine Arnault

In the States, entrepreneurs inspire a lot of people and are respected for creating jobs. That makes people dream and feel happy for their country.

~Delphine Arnault

New talents are the future.

~Delphine Arnault

Today I find it's extremely hard to launch one's brand, and that's also why we are helping these young talents.

~Delphine Arnault

I have a passion for modern and contemporary art.

~Delphine Arnault

I have a lot to learn from designers.

~Delphine Arnault

To make an idea become a reality is a process that fascinates me; otherwise it stays just an idea.

~Delphine Arnault

It's important to feel what the customer is feeling when he enters the shop.

~Delphine Arnault
