In every moment, the Universe is whispering to you. You're constantly surrounded by signs, coincidences, and synchronicities , all aimed at propelling you in the direction of your destiny.

~Denise Linn

Whatever you put your attention on in this life, will increase in your life. As you put your attention on angels, they will begin increasingly to make their presence known to you.

~Denise Linn

In every moment the Universe is whispering to you.

~Denise Linn

Angels assist us in connecting with a powerful yet gentle force, which encourages us to live life to it's fullest.

~Denise Linn

On the road of life... Meet people where they are, Accept who they are. And there are some folks that you need to leave where they are... Keep walking.

~Denise Linn

The way you treat yourself sends a very clear message to others about how they should treat you.

~Denise Linn

Shift the focus from what you want to do, to how you want to be... how you want to feel.

~Denise Linn

Take time to be still, in a hallowed place in nature, and you'll discover that you are connected to everything.

~Denise Linn

Clutter-clearing is modern-day alchemy.

~Denise Linn

A Quest of any kind is a heroic journey. It is a rite of passage that carries you to an inner place of silence and majesty and encourages you to live life more courageously and genuinely.

~Denise Linn

When you're being truly creative, time stands still, and you enter a dimension that can carry you beyond the ordinariness of everyday life.

~Denise Linn

The things surrounding you in your home serve as subliminal reminders of you who are.

~Denise Linn

It is better to start over than to continue down a path that you know is wrong for your Soul.

~Denise Linn

When you observe rather than react, you reclaim your power.

~Denise Linn

Deep within each of us is a longing for home. We yearn for a place of comfort where we can be ourselves, where we can realize our dreams.

~Denise Linn

Where intention goes, energy flows.

~Denise Linn

It doesn't have to be perfect, it just has to get done.

~Denise Linn

Step beyond right and wrong, and resist passing judgment. Who you've

been and what you've experienced in the past isn't good . . . and it isn't bad. You might not know the whole story.

~Denise Linn

Ask yourself... If my body were a metaphor for my life, what would the message be?

~Denise Linn

If you want someone to believe in you, believe in others.

~Denise Linn

To be Master of the Universe (in other words, to be master of your own personal universe) choose "what is so".
