A good margarita, a good red wine, I like expensive alcohol, but not a lot of it. I don't like to throw up.

~Denise Richards

Yeah, some kids called me fish lips because I had these really full lips. Now I'm sure all those same girls are getting collagen injections, so I'm having the last laugh.

~Denise Richards

I like to be at home because I just travel so much. I have four dogs, golden retrievers.

~Denise Richards

Every photo shoot, I'm always asking the makeup artist what they're using on me, and I'll go out and get it.

~Denise Richards

During the day I don't wear much makeup.

~Denise Richards

Everyone wants to pluck eyebrows. I thinned them out real thin once and it just didn't look like me.

~Denise Richards

Loving a person is loving everything but the person. Being in love with that person is loving everything and that person.

~Denise Richards

She was a Bond girl; she couldn't have been in nerdy.

~Denise Richards

Doing love scenes is always awkward. I mean, it's just not a normal thing to go to work and lay in bed with your co-worker.

~Denise Richards

A date once leaned in to kiss me, and he ended up kissing my cheek. He was a little offended, but I didn't want to kiss him just to not hurt his feelings.

~Denise Richards

I am truly not one to give advice. I'm divorced and I stole my best friend's husband.

~Denise Richards

There are always two or three or four sides to every story.

~Denise Richards

Schools attempt to take credit for what occurs naturally, and blame others for the negative consequences of institutionalization.

~Denise Richards

I'm in a no-win situation. If I have my kids in the show, I'm exploiting them. If I don't, people will think I'm not a hands-on mom.

~Denise Richards

I didn't want just any career, so I am not going to be just any nurse.

~Denise Richards

Heather knows why and when her marriage ended with Richie and she knows why my marriage ended with Charlie.
