By restraining spending and by cutting the deficit, Republican policies are helping to keep our economy strong.

~Dennis Hastert

America's economy is resilient, and I am confident that Republican pro-growth policies will continue to keep our economy growing - just as it has since after the September 2001 terrorist attacks.

~Dennis Hastert

You can't jam change down the American people's throat.

~Dennis Hastert

Cagey trial lawyers have figured out there's a pretty good likelihood their case - no matter what its merit - will literally get its day in court because of favorable judges.

~Dennis Hastert

The illegal drug trade is the financial engine that fuels many terrorist organizations around the world, including Osama bin Laden.

~Dennis Hastert

Our economy is robust and will remain strong as more Americans who want a job find one. Republican economic policies based on tax relief are working for the American people.

~Dennis Hastert

There has to be some limit to what lawyers can take from their clients.

Otherwise, cagey attorneys end up with the lion's share of the settlement and the victims end up with little more than scraps.

~Dennis Hastert

Death just shouldn't be a taxable event.

~Dennis Hastert

It is only in Washington where many still have a lingering animosity for the political parties. My friends, we need to get over it.

~Dennis Hastert

You see, we all want the same things. We want to be able to take care of our families, provide for our children, to have a roof over our heads and a good-paying job.

~Dennis Hastert

She has all the qualities of leadership, except followers.

~Dennis Hastert

We want to make sure that Social Security is fixed for those people who have had that promise and there's something in the future for our younger workers. And we're not about to do a welfare program.

~Dennis Hastert

Our economy is creating jobs and giving businesses the conditions they need to invest and succeed.

~Dennis Hastert

Priorities like winning the War on Terror and providing tax relief that will keep our economy growing strong.
