First of all, I never think of my characters as good or evil. I play them as honestly as I can. When you're playing a good character, you have an idea that you're playing the hero and the good guy.

~Dennis Haysbert

I love emotion. I love being in love. And showing that on screen. I think it's wonderful.

~Dennis Haysbert

All of the directors I work with have their own unique gifts. My particular segment deals with online dating. It's a very interesting take on it, and a great observation of what goes on there.

~Dennis Haysbert

Europeans have a different take [on nudity] than American actors do. They're not quite as hung up.

~Dennis Haysbert

Being on set and seeing all that green screen, and how it activated my imagination, was amazing to me. I fell into that world very easily, and it was incredible to be a part of.
