When I was a kid, we never heard of smog, ozone depletion, acid rain, green house gasses.

~Dennis Weaver

But the "wise" person understands something elseâ€” that we are all connected and, therefore, his or her own happiness must include the happiness of others.

~Dennis Weaver

The people of the future will say, 'meat-eaters!' in disgust and regard us in the same way that we regard cannibals and cannibalism.

~Dennis Weaver

Coming back to a television series puts you back in the limelight and gives you a platform for your ideas. If you're not acting on a series, you don't get the ability to communicate to people.

~Dennis Weaver

We're the only species that have crapped up the planet and the only species that can clean it up.

~Dennis Weaver

When we realize we can make a buck cleaning up the environment, it will be done!

~Dennis Weaver

If we had a hydrogen economy worldwide, every nation on earth could create its own energy source to support its economy, and the threat of war over diminishing resources would just evaporate.

~Dennis Weaver

We don't have to sacrifice a strong economy for a healthy environment.

~Dennis Weaver

We should be able to support our own economy within our own borders.

~Dennis Weaver

If we were driving pure hydrogen automobiles, that automobile would actually help clean up the air because the air coming out of the exhaust would be cleaner than the air going into the engine intake.

~Dennis Weaver

Practically every environmental problem we have can be traced to our addiction to fossil fuels, primarily oil.

~Dennis Weaver

Changing mass consciousness is an individual responsibility.

~Dennis Weaver

Years ago on the set of Gunsmoke I read the book The Holy Science. Since then I have not eaten meat.

~Dennis Weaver

There can be no lasting peace, no security, nor can we as human beings begin to touch our full potential, as long as hunger overwhelms the human spirit around this planet.

~Dennis Weaver

War is usually fought over diminishing resources, particularly those that we perceive to be extremely valuable.

~Dennis Weaver

If you don't generate tension in the film to begin with... you can't really make a purse out of a sow's ear, you know.

~Dennis Weaver

The premise is simple: One economy and one environment, and they're

interdependent.

~Dennis Weaver

It's fun to be a little bit different in the world, to make a few new trails of your own.

~Dennis Weaver

It's not an if - we're going to have to change. Oil is simply going to be gone.

~Dennis Weaver

I feel responsible; I feel I've got to do something that will leave the kids a place where they can live healthy, safe, productive, creative and prosperous lives.

~Dennis Weaver

Whatever we'll be forced to do later, we should be doing now.

~Dennis Weaver

The earth is a tremendous gift. There is nothing else like it in the known universe. I want to leave it the way I found it.

~Dennis Weaver

The Age of Oil has really exhausted its usefulness, and it has actually become a danger to our lives and our ability to survive on the planet.

~Dennis Weaver

Business must be the solution, not the problem.

~Dennis Weaver

Business has to change the way it does business, or we will make no significant changes in the way we relate to the earth.
