What's important is how you deal with fear. I face it head-on, but I'm not too proud to admit that I do get afraid sometimes.

~Denzel Whitaker

The best advice I ever received was to not rush time. Things will present themselves when the time is right.

~Denzel Whitaker

Somedays I think I'm a rebel in my own mind but most of the times I'm a low-key, follow the rules type of guy.

~Denzel Whitaker

I just want to be remembered as a great actor.

~Denzel Whitaker

Directing for me is the ability to take the words from a page and share my vision with the world.

~Denzel Whitaker

That's the beauty of life, the uncertainty that we experience, literally, as we go about our day-to-day activities. We're not certain of anything, so fear comes up very often. Fear comes naturally.

~Denzel Whitaker

I've secretly always wanted to be an astronaut.

~Denzel Whitaker

When I'm acting, I just want to be the character and not have to think of any film technicalities.

~Denzel Whitaker

I would want to have Spider-Man's web slinging abilities. I always thought it'd be cool to swing around the city jumping off of buildings and free diving.

~Denzel Whitaker

As an actor, I'm limited to re-in acting someone else's vision or portraying a fictitious character.

~Denzel Whitaker

I've always been pretty patient so I usually don't mind waiting!

~Denzel Whitaker

I avoid roles that might send me down a road where I might end up being typecast.

~Denzel Whitaker

Life lends itself to fear.

~Denzel Whitaker

The number one reason for the death of young actors' careers is people get so used to seeing them playing that one character that they can't accept them as anyone else.

~Denzel Whitaker

Fortunately, both my parents, especially my mom, have guided me, and been amazing at handling my career and my finances. They taught me not to buy what I don't need, when I'm not working that much.

~Denzel Whitaker

The beauty of being an actor in a horror film is that you know what to expect and what's coming.

~Denzel Whitaker

As a practice exercise, I'd usually just wear blindfolds around the house to allow my other senses to take me wherever I would like to go.
